SIREN STEERING COMMITTEE AND ICECAP MEETING

It was so great to see those of you who could make it to the in-person meetings in beautiful New Orleans last month. Thank you for joining us at dinner and beignets!

NETWORK NEWS & UPDATES

Total OHSU Network enrollment: 258
UPDATE ON THE SIREN RENEWAL GRANT:

We were notified in early May that the SIREN Renewal applications had not been reviewed in time for a funding decision before June 1. Currently, our site has requested an administrative supplement to augment our resources until the applications can be reviewed. We now expect funding decisions for the renewal to be announced sometime this fall and the next SIREN grant award to begin 12/01/2022. We will keep everyone informed as soon as we have any updates on our network application.
