

Early Survivorship: Navigating Life after Cancer Treatment Ends

Early Survivorship

We call the first two years after treatment ends “early survivorship”. This time can be full of joy and uncertainty. These webinars are offered to help you and your family with this transition

Free Live Webinars

Topics covered: Physical, emotional and practical adjustments to life after cancer treatment or bone marrow transplant.

Speakers:

Jessica Busse LCSW

Laura Dorneman RN, BSN, CPHON

Upcoming 2023 sessions:

- Tuesday, January 31st, 7–8:30 p.m.
- Thursday, May 18th, 6:30–8 p.m.
- Tuesday, October 3rd, 7–8:30 p.m.

If you have a disability and need an accommodation to attend or participate in this event please contact Doernbecher Cancer Survivorship Program, 503-494-0200 at least five business days prior to the event.

You may be interested in participating if:

- Your child has completed treatment for a childhood, adolescent or young adult cancer or bone marrow transplant within the past 18 months.
- Your child will complete treatment for a childhood, adolescent or young adult cancer or bone marrow transplant in the next 3 months
