The School of Dentistry provides honor cords to eligible recipients at Convocation for no cost. The School of Nursing supplies honor cords to recipients at no cost during the Convocation Fair. Master's and doctoral students are not eligible for honor cords.

Service Honor Cords

OHSU honors students who meet university-merit criteria in diversity and inclusion achievement with a service honor cord. The color of the diversity honor cord is light blue

to signify unity and perseverance and to recognize students for their contribution to diversity and inclusion. This honor cord is sponsored by the Center for Diversity & Inclusion. For inquiries, contact CDI (studentdiversity@ohsu.edu).

Veterans Cords

In recognition of their military service to the United States of America, OHSU honors its veterans by giving them a red, white and blue cord. When ordering regalia, select the item and add it to your cart. There will be no charge.

Regalia and Etiquette

The academic cap is worn level at all times. The tassel should hang on the right of the cap at entrance into the Exhibit Hall until President Jacobs has conferred the degrees. At that point, the tassel may be switched to hang from the left side.
