Cost: Free

Does planning for summer give you or your child anxiety? Is it difficult to find inclusive activities? If so, join us to speak with this small group of parents/caregivers about how they:

- Find inclusive camps
- Ask for Accommodations
- Pay for Class/Camp/Activities
- Keep teens engaged
- Find activities statewide
- Decide if an activity is a good fit

You will hear from other caregivers, learn what works for their children, and share ideas.

We would like to thank you for sharing your experiences

The first 10 Oregon Families that register and participate will receive a \$25 Amazon or Target e-gift card.

If you are not one of the first 10 to register, you can still come. We will put you on the waitlist for a gift card.

The Family to Family Health Information Center is a project of the Oregon Center for Children and Youth with Special Health Needs. It is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) (Grant # H84MC21658/Family Professional Partnerships)
