Short-Term Observership Application
Division of Hospital Medicine

School of Medicine
Department of Medicine
Division of Hospital Medicine

Please note that we aren't able to host any observers long-term. Therefore, International Medical Graduates and Physicians already in Residency training or practice will only be approved if hosted by a separate department at OHSU.

Eligible applicants: Individuals 18 years or older, have not yet begun medical or PA school, but are interested in pursuing a career in medicine. Preference will be given to college students or individuals who have recently graduated from college seeking exposure to inpatient medical wards or outpatient pre-op clinic.

The Division of Hospital Medicine will not host any observers long-term. Therefore, International Medical Graduates and Physicians already in Residency training or practice will only be approved if hosted by a separate department at OHSU.

Please note that there is limited capacity to host any observer.

Optional Services for Observation:

- Medical Teaching Service (Inpatient)
- Clinical Hospitalist Service (Inpatient)
- Clinical Hospitalist Service APP Program (Inpatient)
- Pre-operative Medicine Clinic (Outpatient)

Timing Available: One to two 4-hour sessions, Monday – Thursday

Number of Observers on each service at any given time: One per day; maximum of two per week

Protocol for assigning observers to providers: The DHM Administrative Team will reach out to providers who have expressed interest.

Immunizations/Vaccinations: For the safety of our patients and employees, observers **MUST** be up-to-date on all immunizations, *including the COVID-19 Vaccine*, and adhere to OHSU's Occupational Health Requirements for clinical areas. It is requested that all candidates confirm in writing that they are up to date on their immunizations.
