

**Underrepresented in Medicine Visiting Medical Student
Ophthalmology Rotation Scholarship Application**

As part of a collaboration between the Oregon Academy of Ophthalmology and OHSU Casey Eye Institute's DEI Program and Committee for Advancement of Diversity and Inclusion in Ophthalmology, we are honored to provide support for visiting underrepresented medical students accepted into our 4-week ophthalmology elective. We hope to increase diversity in Oregon's ophthalmology community.

Scholarships of up to \$1500 for travel and housing will be funded by the Oregon Academy of Ophthalmology and the OHSU Casey Eye Institute.

Eligibility Requirements:

- A senior non-OHSU medical student who has been accepted by OHSU for a visiting student learning opportunity at the Casey Eye Institute Department of Ophthalmology at OHSU.
- Stipend support from the Oregon Academy of Ophthalmology will prioritize students in the AAO and AUPO's Minority Ophthalmology Mentorship (MOM) program with Oregon residence or non-residence with Oregon heritage (graduated from Oregon high school, college or university, close family living in Oregon, or other ties to Oregon).
- Stipend support from the OHSU Casey Eye Institute will consider all medical students who are underrepresented in medicine accepted into the 4-week elective.

Name: _____

Email: _____

Medical School: _____

Do you self-identify as a member of a racial, ethnic, or other group that is underrepresented in medicine?
Yes / No

If Yes, please state how you identify: _____
