INTRODUCTION

OHSU Organization

OHSU Mission

Oregon Health & Science University is the state's only comprehensive public academic health center. Its fundamental purpose is to improve the health and well-being of people in Oregon and beyond. A Board of Directors nominated by the Governor and confirmed by the Oregon Senate governs the University.

As part of its multifaceted mission, OHSU strives for excellence in education, research and scholarship, clinical practice and community service. Through its dynamic interdisciplinary environment, OHSU stimulates the spirit of inquiry, initiative and cooperation among students, faculty and staff.

Setting the example for integrity, compassion and leadership, OHSU strives to:

- Educate tomorrow's health professionals, scientists, engineers and managers in top-tier programs that prepare them for a lifetime of learning, leadership and contribution.
- Explore new basic, clinical and applied research frontiers in health and biomedical sciences, environmental and biomedical engineering and information sciences, and translate these discoveries, wherever possible, into applications in the health and commercial sectors.
- Deliver excellence in healthcare, emphasizing the creation and implementation of new knowledge and cutting-edge technologies.
- Lead and advocate for programs that improve health for all Oregonians, and extend OHSU's education, research and health care missions through community service, partnerships and outreach.

OHSU 2025

OHSU 2025, OHSU's strategic plan, is built around our vision:

OHSU will partner to be a leader in health and science innovation for the purpose of improving the health and well-being of people in Oregon and beyond.

OHSU 2025 provides a road map to help guide the University to where it wants to be in year 2025. The plan aims to deliver breakthroughs for better health through its six goals:

1. Building a diverse, equitable environment where all can thrive and excel.
2. Being the destination for transformational learning.
3. Enhancing health and health care in every community.
4. Discovering and innovating to advance science and optimize health worldwide.
5. Partnering with communities for a better world.
6. Ensuring a sustainable foundational infrastructure.

These goals span OHSU's missions, supported by objectives that are focused on identifying new ways to understand disease, treat illness and train the next generation of scientists and health professionals. They begin with our commitment to listen to what communities — across Oregon

and around the world — need from OHSU, and end with our commitment to the people who will respond to those needs and make this work a reality.

With 42 objectives and hundreds of tactics, OHSU 2025 reflects not only the breadth and complexity of the state's only academic health center, but also the challenges in health and science that OHSU must address.

OHSU 2025 was developed from the ground up. More than 5,000 OHSU members contributed to the plan, providing input on OHSU's future picture, shaping the plan's goals and developing detail around its objectives and tactics.

The process that created the plan — and will carry through its implementation — speaks volumes about what makes it unique: It is a strategic plan that is not only for, but by, OHSU. The OHSU community can follow the plan, changes, and updates at www.ohsu.edu/about/strategic-plan.

OHSU Board of Directors

Wayne Monfries, Chair
Senior Vice President, Global Tax at Visa

Wayne Monfries is Senior Vice President, Global Tax at Visa. Wayne joined Visa in April 2020. He previously was VP, Global Tax at TransUnion in Chicago, and prior to that served as VP & Chief Tax Officer for Nike in Portland, Oregon. A graduate of Georgetown University, he began his career in public accounting with PwC in Washington DC before moving on to work for food manufacturer, Mars, Incorporated in New Jersey and London, England, where he held various roles in tax and finance.

Ruth Beyer, Vice Chairwoman
Senior Vice President and General Counsel, Precision Castparts Corp.

Ruth A. Beyer, J.D. has been Senior Vice President and General Counsel of Precision Castparts Corp. since April 1, 2013. Prior to that, she was Principal in the Portland office at Stoel Rives LLP, and served as the Managing Partner from 1995 to 2005.

Beyer serves as chair of the Board of Regents of the OSU Honors College and is the co-founder of the OSU Women's Giving Circle. She has been a member of the Board of Directors of Morrison Center since 2006. Beyer is a recipient of the Award of Merit from the Multnomah Bar Association.

Mahtab Brar
M.D. Student

Mahtab Brar is currently a third-year medical student at OHSU. Prior to medical school, he attended Oregon State University where he studied biology and served on various committees, such as the Relay for Life Committee and Sport Club Committee. After graduation, he worked as a ReConnect Fellow in Southern Oregon and continues to advocate for rural healthcare with the Area Health Education Centers around Oregon during medical school.

He is involved on campus and in the community through running free health screenings around the state, managing the OHSU Asylum Clinic, and as a founding member of the Sikh Youth of Oregon. Mahtab has professional interests in the management of healthcare systems, global health, and immigrant health policy.

James A. Carlson
Senior Advisor

James Carlson, who served as CEO of OHCA since 1997, retired from this position at the end 2020. He continues to be engaged with OHCA as a strategic advisor. With over 30 years of experience in health policy and association management, Jim is widely recognized as one of the leading long-term care and health policy resources in Oregon.

For more than three decades, Jim has worked closely with local, state, and federal policymakers; advocates; businesses; and coalitions to enhance access to quality care and services in Oregon. Before first joining OHCA as director of government affairs in 1994, Jim served as associate director of government affairs for the Oregon Medical Association. He began his career as a legislative assistant for the U.S. House of Representatives.

He is a past member of the boards of directors of the American Health Care Association/National Center for Assisted Living (AHCA/NCAL) and is a past-president of the American Society of Health Care Association Executives (ASHCAE).

Danny Jacobs, M.D., M.P.H., F.A.C.S.
President, OHSU
Ex Officio

Danny Jacobs, M.D., M.P.H., F.A.C.S., was named the fifth president of OHSU on May 8, 2018. He succeeded Joe Robertson, M.D., M.B.A., effective August 1, 2018.

Prior to joining OHSU, Jacobs was the executive vice president, provost and dean of the School of Medicine at the University of Texas Medical Branch. At UTMB, Jacobs was the chief academic officer, responsible for approximately 3,800 employees and trainees for its schools of Medicine, Nursing, Health Professions and Biomedical Sciences. A surgeon by training, Jacobs oversaw the institution's research programs, served as the head of the faculty group practice and was a principal partner in the UTMB health care system.

Jacobs grew up in rural Arkansas and is an avid cyclist who enjoys fly fishing and hiking. He is married to Nancy Jacobs, a nutritionist and Oregon State University graduate, with three grown children and three grandchildren.

Susan King, M.S., R.N., C.E.N., F.A.A.N.
Emergency Staff Nurse
Former Executive Director of the Oregon Nurses Association

Susan is life-long resident of Portland Oregon and has invested in both a professional nursing career as a clinician, administrator, lobbyist, health policy advisor and advocate as well as a community activist on civic issues such as housing, neighborhood preservation and development and election of leaders at the city, local, state and national level.

She is a graduate of the University of Oregon School of Nursing and holds a Masters degree in Nursing from OHSU. In 2011, she was inducted into the American Academy of Nursing for her work on authority for Nurse Practitioners.

Her career in nursing has included delivering care to patients and families and to help to shape health care delivery and policy at the state and national level. She has experience holding regulatory and policy positions within Oregon as well as nationally. From 1989 to 2017, she led the Oregon Nurses Association focused on the nursing workforce, promoting authority for Nurse Practitioners and Clinical Nurse Specialists, addressing standards for hospital staffing and improving access to care for all.

Susan currently practices as a staff RN in a large Portland area Emergency Department

Chad Paulson
Senior Vice President, Human Resources and Corporate Secretary of
See's Candies

Chad Paulson is a graduate of the University of Oregon School of Law and holds an undergraduate degree from Oregon State University. He has over twenty years of legal experience, starting as a commercial litigation Associate at Miller Nash in 1998 and practicing in-house for PacifiCorp, a public utility and Blount International, Inc., a global manufacturing company. Chad began leading See's HR department in November 2020. Chad has managed domestic and international mergers and acquisitions, acted as corporate secretary for a publicly traded company, actively engaged and advised regarding strategic planning, and has developed and implemented compliance and governance programs.

Sue Steward
Cow Creek Band of Umpqua Tribe of Indians Citizen and Tribal Board Member

Sue currently serves the 43 tribes of the North West as the Deputy Director at the Northwest Portland Area Indian Health Board (NPAIHB). She served NPAIHB from 2018 through 2020 as the CHAP Project Director. Previous to that, she served a small Alaska Tribal Health Organization as a federally certified, primary midlevel provider from 2000 to 2018, and as the Community Health Aide Program (CHAP) Director from 2008 to 2018.

Her education includes a B.S. in Health Administration and a graduate degree in Health Leadership. She served as the Alaska CHAP Directors Association Chair for four years and the Vice Chair for three years, and also served on the Alaska Area CHAP Certification Board for two years.

In 2005 she was a recipient of the IHS Director's Award for her contributions to the revised Alaska Community Health Aide Manual. She currently serves as the Cow Creek delegate to the Affiliated Tribes of Northwest Indians (ATNI) and to the National Congress of American Indians (NCAI).

She is grateful for the many experiences she has enjoyed in her professional career. Her husband of 40 years is her best friend and a great support. Their two sons have rich experience with the Navy, Air Force, and Alaska Militia and volunteer firemen. Their oldest now serves their tribe as the Cultural Coordinator and is completing his B.S. in Indigenous Studies. Their youngest son is an Alaska Air National Guard Staff Sergeant, 4N031/Aerospace Medical Technician and works in the local hospital as an ER Tech. He is currently completing his B.S. in Homeland Security/Emergency Management.

Steve Zika
CEO of Hampton Lumber

Steven Zika is the CEO of Hampton Lumber, a family-owned forest products business headquartered in Portland, Oregon, employing about 1,600 people primarily in Washington, Oregon, and British Columbia. Hampton owns approximately 118,000 acres of U.S. timberland, managed on a sustainable basis, certified through the Sustainable Forestry Initiative (SFI), and also manages 120,000 hectares of provincial timberland in British Columbia. The company owns nine sawmills in Oregon, Washington, and British Columbia with normal lumber production capacity in excess of 2 billion board feet. The company also has wholesale and distribution operations that deliver building products to customers all over the world, including its own lumber production and another 2 billion board feet of outside lumber and panels. Hampton's vision is to grow the company globally using safe and sustainable business practices to benefit its customers and communities. Hampton enthusiastically educates the public on the value of sustainable forestry.

ACCREDITATION

OHSU Accreditation

Institutional Accreditation

Oregon Health & Science University has received continuous institutional accreditation by the Northwest Commission on Colleges and Universities (NWCCU) since 1980. OHSU is authorized to offer associate, baccalaureate, masters, professional practice doctoral and research doctoral degrees, as well as graduate certificates. The last NWCCU accreditation visit occurred in October 2022. The next required accreditation action will be the submission of a Mid-Cycle Report that is due in the Fall of 2025.

Accreditation of an institution of higher education by NWCCU indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited university is one that has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

NWCCU accreditation is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend OHSU.

Institutions accredited by NWCCU are required to examine their own missions, goals, operations, achievements, and effectiveness. Since the institution is reviewed by NWCCU on a regular, ongoing cycle, continued self-study, reflection, assessment and improvement is necessary for OHSU to ensure compliance with accreditation standards.

Specialized Accreditation

Specialized accreditation is a type of accreditation status that is designated for specialized academic programs within an institution of higher education that have already been awarded institutional accreditation. Specialized accreditation focuses on specific aspects of the program's academic field of study.

Currently, OHSU has 36 academic fields of study with specialized accreditation from 15 different specialized accrediting agencies. For a complete list of all of the accredited programs and their respective specialized accreditation agency, see the OHSU Inventory of Specialized Accreditation and Reporting Timeline Table on pages 2-3.

Note: The professional exams are reported by calendar year for DMD and BS Nursing students and by academic year for MD, PharmD, and Radiation Therapy students. The Human Nutrition exams reflect the percentage of graduates who took the exam in that year - not necessarily the cohort who graduated that year (i.e. 2012 total number includes 2012 graduates, but may also include graduates from the previous year(s) who deferred taking the exam). Source: Annual school-level reports.

*The 2020 OHSU pass rate for DI graduates was incorrectly reported as 100% in the 2021 Fact Book. The correct number is 79%.

**The 2020 and 2021 NAPLEX pass rates previously reported were incorrect. The rates listed above are accurate, and corrected on 07/25/2023.

KEY PERFORMANCE MEASURES

Key Performance Measures for Oregon Legislature

1) **DMD Access:** Percent of entering cohort who are in-state DMD students

3) **Nursing Access:** Percent of entering cohort who are in-state nursing students

2) **MD Access:** Percent of entering cohort who are in-state MD students

4) **Nursing Completion:** Percent of nursing student cohorts completing bachelor's degrees within 150% of normal completion time

5) Degrees: Total number of degrees and certificates awarded

6) Dental Workforce: Total number of DMD degrees awarded

7) Physician Workforce: Total number of MD degrees awarded

8) Nursing Workforce: Total bachelor's degrees awarded in nursing

9) Nursing Faculty: Total graduate degrees and certificates awarded in nursing

11) Professional Competence: Percent of MD students passing senior-level credentialing exams on first attempt

10) Professional Competence: Percent of DMD students passing senior-level credentialing exams on first attempt

12) Professional Competence: Percent of bachelor's level nursing students passing senior-level credentialing exams on first attempt

13) Research Productivity: Research dollars per faculty (in thousands)

14) Poison Center Effectiveness: Percent of poisoning or toxic exposure cases managed at home

15) CDRC Services: Total clinical, surgical and/or diagnostic services provided to patients

16) MD Clinical Rotations: Total number of medical student weeks served in rural communities

*Number is down because of spring term 2020 clerkship cancellation.

17) Rural Preceptors: Total number of physicians supervising medical students in rural communities

19) Rural Health: Federal funds generated per state dollar invested in the Office of Rural Health

18) Rural Pipeline: Total number of rural K-12 students enrolled in science and healthcare education pipeline programs

GLOSSARY

Glossary

A

Academic Health Center

Provides the classification of OHSU as an accredited, degree-granting institution of higher education that educates a wide variety of health care professionals, offers comprehensive basic and advanced patient care, and conducts a broad spectrum of biomedical and health services research. AHCs must include: an allopathic or osteopathic school of medicine; at least one other health professions school or program (such as allied health, dentistry, graduate studies, nursing, pharmacy, public health, and veterinary medicine); and, one or more owned or affiliated teaching hospitals, health systems or other organized health care services.

Academic Year

The year beginning with summer term and ending with spring term. For example, academic year 2020-21 begins with summer term 2020 and ends with spring term 2021.

Adjusted Census Day

Adjusted census day = (gross patient revenue / inpatient revenue) * census day. See Census Day.

Admitted Student

Student who has been offered admission into an OHSU academic degree or certificate program.

AFSCME

OHSU employees represented by Local 328 of the American Federation of State, County and Municipal Employees (AFSCME). AFSCME-represented positions range from pharmacists, certified nursing assistants to business data analysts, laboratory animal technicians and administrative assistants.

Applied Student

Student who has submitted an application for admission into an OHSU academic degree or certificate program.

Ambulatory Visits

Medical care including diagnosis, observation, treatment and rehabilitation that is provided on an outpatient basis including virtual and telephone visits. Ambulatory care is given to persons who are able to ambulate or walk about. A well-baby visit is considered ambulatory care even though the baby may not yet be walking.

C

Census Day

The number of days that inpatients (excluding newborns in the nursery) are hospitalized. Census days are based on a snapshot of inpatients in bed at midnight in nursing units defined as census units.

Certificate

An academic award, distinct from a degree, certifying the satisfactory completion of an academic instructional program or course of study. OHSU awards post-baccalaureate certificates, post-master's certificates, and post-doctoral certificates.

Consumer Price Index (CPI)

The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. The CPI and its components may be used to adjust other economic series for price changes and to translate these series into inflation-free dollars.

D

Daypatient

Patients undergoing an ambulatory surgery or procedure who are expected to be discharged with fewer than two midnights of hospital care (e.g. same day discharge or routine overnight recovery).

Dental Admission Test (DAT) Score

Average score of admitted students in a given year on the admission test for dental school, the Dental Admission Test administered by the American Dental Association (ADA).

Degree

An academic title conferred by a university to a student who has successfully completed a specified instructional program of study. OHSU awards associate degrees, bachelor degrees, master's degrees and doctoral degrees.

Discharge

A person who was formally admitted to the hospital for inpatient care in accordance with a physician's order, with the expectation of remaining overnight or longer, and who is discharged under one of the following circumstances: (1) is formally discharged from care of the hospital and leaves the hospital; or (2) has died.

Discharge Days

The total number of days between the inpatient admission and discharge dates for each patient (length of stay). The day of admission but not the day of discharge is counted as a discharge day (except for admission and discharge on the same day, which is counted as one discharge day).

E**Education and General Funds**

The portion of the OHSU budget that is devoted to instructional and support services for students and faculty, including managerial and administrative functions needed to provide the services.

Ethnic or Racial CategoriesStudents

Ethnic or racial categories are self-identification items in which students choose the categories with which they most closely identify. The ethnic or racial group categories reported for OHSU students are defined by the United States Census Bureau and the Federal Office of Management and Budget (OMB). Those racial categories reported for students are listed on the federal IPEDS reports (effective Fall 2009) as: American Indian/Alaska Native; Asian; Black/African American; Native Hawaiian or Other Pacific Islander; Two or more races; and White (including people of European and Middle Eastern origins). In addition, student ethnicity is categorized as either Hispanic/Latino or Not Hispanic/Latino. Students who decline to respond are listed in the "unknown" category. These ethnic and racial categories do not include foreign students.

Employees

The ethnic or racial group categories reported for OHSU employees are defined by the United States Department of Education, Census Bureau and the Federal Office of Management and Budget (OMB): The Equal Employment Opportunity Commission of the US Department of Labor (EEO) requires employers to report various information about their employees, in particular, their racial/ethnic categories to prevent discrimination based on race/ethnicity. The racial categories include: American Indian/Alaska Native; Asian; Black or African American; Native Hawaiian or Other Pacific Islander; Two or more; and White. The ethnic categories are Hispanic/Latino or Not Hispanic/Latino. These racial and ethnic categories are self-identification data items in which employees choose the categories with which they most closely identify. These categories include employees who are not citizens of the United States, but have permanent residency status or a temporary work permit or visa.

Enrollment

OHSU, like all other higher education institutions, uses several different definitions in counting enrollment. The various definitions serve different purposes: budget preparation, workload evaluation, federal reporting, single-point snapshots, and description of OHSU's provision of educational services.

Student Headcount Enrollment

Headcount enrollment represents the number of individual students enrolled in credit courses, regardless of course load. Historical enrollment has generally been expressed in terms of fall headcount. National comparisons of enrollment are most often made on the basis of fall headcount.

F

Faculty

At OHSU, the Faculty comprise three series: OHSU faculty series and ranks are designed to promote consistency of policy and practice for faculty appointments in the schools, other academic units, and free-standing research centers and institutes.

- 1) Professorial Series:
 - Assistant Professor
 - Associate Professor
 - Professor
- 2) Instructional Series:
 - Lecturer
 - Instructor
- 3) Research Series:
 - Research Assistant Professor
 - Research Associate Professor
 - Research Professor

Faculty Rank Modifiers:

- A. Adjunct: A prefix to academic rank for qualified individuals who may be employed by OHSU to teach part-time or intermittently, but have professions or employment elsewhere.
- B. Provisional: A suffix to faculty rank of Associate Professor or Professor to denote a faculty appointment pending action by the appropriate promotion and tenure committee.
- C. Visiting: A prefix to faculty rank for individuals who are temporarily appointed to the faculty or who are on leave from another university or college.
- D. Emeritus: An honorary title for a retired faculty member recognizing distinguished past service to OHSU.

Faculty in the Community-based Clinical Series teach OHSU students/trainees in community settings and may receive a stipend for their contributions or volunteer their time. These faculty are called Clinical Series for Community-based Faculty.

- Clinical Instructor
- Clinical Assistant Professor
- Clinical Associate Professor
- Clinical Professor

Fellow (Graduate Medical Education)

An individual who has graduated medical school, completed a core residency and is pursuing further sub-specialty training.

G

Grade Point Average (GPA)

Average grade based on a pre-defined scale (for example 0 to 4 points, where A=4, B=3, C=2, D=1, F=0). The undergraduate GPA is one factor used in student application and admissions processes.

Graduation Rate

Reflects the percentage of an entering cohort of students who complete a degree within a specified length of time. The common national practice used for baccalaureate completion is to report the percentage of the entering students who complete a bachelor's degree within 150% of the published time.

Graduate Record Examination (GRE)

The Graduate Record Examinations (GRE) is a standardized test that is an admissions requirement for most graduate schools in the United States. It is created and administered by Educational Testing Service.

H

Hospital Occupancy Rate

The number of inpatient hospital beds occupied in census units divided by the number of available census beds. It serves as a measure of health facility inpatient use.

House Officer (Graduate Medical Education)

Term used to describe all postgraduate trainees (individuals who have graduated medical school). The term includes interns, residents and fellows.

I

Industry Sponsored Research Agreements

An Industry-Sponsored Research Agreement (SRA) is a contract through which an industry partner funds an OHSU-initiated project. SRAs cover projects funded by industry and must be consistent with and support the academic, research and/or healthcare mission of OHSU. SRAs typically govern the scope of work, budget, payment obligations and timing, options to license any intellectual property arising from completion of the research, publication of results, and other important items to complete a research project.

Inpatient

A patient who is admitted to a hospital as an inpatient for treatment that typically requires an overnight stay. This includes inpatient hospice stays.

Intern (Graduate Medical Education)

An individual who has graduated medical school and is in their first year of a postgraduate training program.

Invention Disclosures

Official disclosure forms received by OHSU's Office of Technology Transfer describing potential new intellectual property and/or inventions.

IPEDS

Integrated Postsecondary Education Data System, part of a series of reports collected annually by the National Center for Educational Statistics (NCES).

L

Length of Stay (LOS)

The total number of days between the inpatient admission and discharge dates for each inpatient.

License/Option Agreements

A LICENSE AGREEMENT formalizes the transfer of intellectual property between two parties, where the owner of the intellectual property (licensor) permits the other party (licensee) to share the rights to use the intellectual property. An OPTION AGREEMENT grants the potential licensee a time period during which it may evaluate the intellectual property and negotiate the terms of a LICENSE AGREEMENT. An OPTION AGREEMENT is not constituted by an Option clause in a research agreement that grants rights to future inventions, until an actual invention has occurred that is subject to that Option.

M

Medical College Admission Test (MCAT)

The Medical College Admission Test (MCAT) is required of all applicants to US Medical Schools, administered by the American Association of Medical Colleges.

N

Newborn

An infant, born alive in the hospital.

Non-resident

The fee status category of students who are assessed nonresident tuition.

Non-resident Alien

A student who is neither a U.S. citizen nor a resident alien (i.e., permanent resident) and holds a student visa.

O**Observation**

Patients entering the hospital through the Emergency Department or as a direct admission or transfer, typically for “rule out” diagnoses or symptom management. Observation is not for overnight recovery following an ambulatory surgery or procedure.

Office Visit

A visit that includes an Evaluation and Management service that is typically charged for. Examples include office visits, consultations, and post-op appointments.

ONA

OHSU members of the Association of University Registered Nurses (AURN) of the Oregon Nurses Association (ONA). Registered nurses providing patient care in the hospital and clinic settings of OHSU are ONA-represented.

Oregon Opportunity Grant

The Oregon Opportunity Grant is a state-funded, need-based grant available to undergraduates that attend an eligible Oregon postsecondary institution and meet the income eligibility requirements. OHSU’s undergraduate Nursing and Radiation Therapy programs are eligible programs.

Outpatient

A patient who is admitted to a hospital or clinic for treatment that does not require an overnight stay.

Outpatient Visits

Includes emergency room visits, outpatient clinic visits, referred ancillary service visits, home health care contacts, and day care days, where the outpatient is treated and released the same day. Also included are outpatient ambulatory surgery visits, renal dialysis visits, observation care visits, psychiatric visits, chemical dependency visits, hospice outpatient visits, and adult day health care visits, and virtual or telephone visits.

P**Pell Grant**

The Pell Grant is a federal, need-based grant available to undergraduates that attend a postsecondary institution and meet the income eligibility requirements. OHSU’s undergraduate Nursing and Radiation Therapy programs are eligible programs.

R**Resident**

The fee status category of students who are assessed resident tuition.

Resident (Graduate Medical Education)

An individual who has graduated medical school and is in a postgraduate residency training program.

S**Sponsored Research Dollars**

This includes externally sponsored research activity funded by Federal and non-Federal government agencies, private and non-profit organizations. This also includes research training activities geared toward training individuals in research techniques.

T

Tuition

The mandatory charge for instruction assessed to students for enrolling in an OHSU academic course.

U

Underrepresented Minority (URM)

Any ethnic or racial minority group whose representation is disproportionately less in a given context relative to their numbers in the general population constitutes an underrepresented minority.

For students, OHSU defines underrepresented minorities based on minorities underrepresented in medicine, dentistry and nursing professions. The following students are considered an underrepresented minority when self-identifying race or ethnicity as follows:

American Indian or Alaska Native

Underrepresented Asian (Korean, Vietnamese)

Black or African American

Native Hawaiian or Other Pacific Islander

Two or more races (with at least one race classified as URM)

Hispanic or Latino Ethnicity
