NETWORK NEWS

Welcome to the summer (July/Aug) edition of our network news. A big thank you to all of our sites for making time to meet with us this spring. It has been helpful and rewarding to better understand the unique needs, and skillsets of each of our sites and to meet some of our new partners. We'd also like to welcome our newest site to the network, the Cleveland Clinic, which will be headed by Dr. Sharon Mace. Welcome to the network!

We are still taking applications for year 1! We know that many of our sites have potential candidates. Please contact Jenny Cook with any updates you may have on the timing of when your candidate may apply. Also, you can visit our webpage anytime for application info and more details <https://www.ohsu.edu/school-of-medicine/emergency/hone-it>

STANDARD OPERATING PROCEDURE (SOP) SPOTLIGHT

As a part of the new SIREN award notice, we will help facilitate the DCC efforts to distribute the SIREN general SOPs and training for our spoke sites.

Your site can access all SIREN SOPs at any time here: <https://siren.network/nett-resources/standard-operating-procedures>. We will also spotlight a monthly SOP in our newsletter for your review.

This month, please review the [Participant Reimbursement Policy](#) SOP
