A flow chart to help guide teams through the step-by-step process of StudyPages, from workspace creation through publication on the gallery.

1. OHSU IRB data of eligible studies uploaded to StudyPages
2. Workspace created for study
3. Team members access workspace and create studypage for study
4. Once complete, team members submit publish request
5. Principal Investigator is notified and reviews and approves studypage
6. StudyPages Administrator reviews and approves studypage
7. StudyPages (vendor) finalizes studypage and posts to gallery
8. studypage is posted and visible in the public facing gallery

For more information on StudyPages, including training materials and resources, visit the StudyPages section of the OCTRI Recruitment webpage or email octrirecruitment@ohsu.edu.
