

SPONSOR INNOVATION AND COMMERCIALIZATION

WHO WE ARE

As the state's only academic health center, OHSU's breakthrough research leads to new cures, new standards of care, and a better understanding of the basic science that drives biomedical discovery. OHSU Innovates supports the advancement of this research through commercialization-focused gap funding, entrepreneurial education, internships, startup support and many other services. Learn more about our programming and successes at ohsu.edu/innovates.
