

ORPRN Portfolio 2023

ACTIVATE — Accelerate COVID Vaccine and Treatment Equity

Topic: Develop 5 OCHIN community health clinics as sites for future clinical trials related to COVID-19 topics.

Site PI: Melinda Davis, Ph.D.

Funder: OCHIN; Westat; National Heart Lung & Blood Institute

Term: 2022-2026

ORPRN Contact: Kendall Dunlop-Korsness,
dunlopko@ohsu.edu

ANTECEDENT — Partnerships to Enhance Alcohol Screening, Treatment, and Intervention

Topic: Increase screening, brief intervention and referral to treatment (SBIRT) and medication assisted treatment (MAT) for unhealthy alcohol use.

PI: Melinda Davis, Ph.D.

Funder: Agency for Healthcare Research and Quality

Term: 2019-2023

ORPRN Contact: Victoria “Kati” Sanchez, M.S.,
sanchvic@ohsu.edu

CARAVAN — The MISSION Act’s Impact on Rural Veteran Access to and Experience of Care

Topic: A qualitative and quantitative examination of impact of Congress’ VA MISSION Act (June 2019) on rural veterans’ access to and experience of care in rural Western states.

PI: Melinda Davis, Ph.D.

Funder: Department of Veterans Affairs

Term: 2019-2025

ORPRN Contact: Mary Patzel M.B.A.,
CARAVAN@ohsu.edu

CASCADE — A Community-based Assessment of Skin Care, Allergies and Eczema

Topic: Pragmatic, community-based randomized trial to determine the effect of skin care education on the development of atopic dermatitis.

PI: Eric Simpson, M.D., M.C.R.,

Funder: National Institute of Arth & Mus & Skin Diseases

Term: 2018-2024

ORPRN Contact: cascadestudy@ohsu.edu

COVID-19 Vaccination Supportive Site Visits

Topic: Conduct COVID-19 vaccination supportive site visits across Oregon. The purpose of these visits is to support and improve COVID-19 vaccine programs throughout the state.

PI: Anne King, M.B.A

Funder: Oregon Health Authority

Term: 2021– 2023

ORPRN Contact: Isabel Stock, B.S., stocki@ohsu.edu

CRC TA—Colorectal Cancer Screening Technical Assistance

Topic: in partnership with the Kaiser Permanente Center for Health Research and Native American Rehabilitation Association of the Northwest (NARA) to deliver technical assistance to primary care clinics to improve colorectal cancer screening and prevention.

PI: Melinda Davis, Ph.D.

Funder: Oregon Health Authority

Term: 2020-2025

ORPRN Contact: Brittany Badicke, M.P.H.,
badicke@ohsu.edu

Dementia Diagnosis in Oregon Primary Care Clinics

Topic: The overall project purpose is to build the confidence of primary care clinicians in identifying and diagnosing dementia. This will be accomplished by a) supporting development of tailored workflows for the teams, b) instructing teams on when and how to use and interpret dementia diagnostic tools, and c) providing information on how to refer patients and family care partners to community resources.

PI: Melinda Davis, Allison Lindauer

Funder: Oregon Health Authority

Term: 2023-2025

ORPRN Contact: Caitlin Dickinson, M.P.H., summerca@ohsu.edu

Disability Webinars

Topic: In partnership with Oregon Office of Disability Health, recruit 50 providers to take a 35 min webinar training for free CME. The webinar will provide providers with tools to better treat and community with patients who have physical and/or mental disabilities.

PI: Willi Horner-Johnson, Ph.D.

Funder: Oregon Office on Disability and Health

Term: 2022-2023

ORPRN Contact: Anne King, M.B.A., kinga@ohsu.edu

Employer Sponsored Community Health Workers: A Novel Model for Improving Diabetes Self-Management Among Low-Income and BIPOC Employees

Topic: This is part of a larger study with Dr. Brian Frank (OHSU Family Medicine); Support working with and interviewing key stakeholders to define the context, processes, and outcomes for a pilot in which an employer provides CHW services to a representative sample of employees at risk for type 2 diabetes

PI: Brian Frank, M.D.

Funder: Oregon Health Authority, HPCDP

Term: 2022-2024

ORPRN Contact: Sara Wild, M.P.H., wilsa@ohsu.edu

Eastern Oregon CCO Social Needs Screening

Topic: Administer telephone social determinant of health and REAL-D screening to EOCCO and Summit health member and refer members with identified SDOH to resources in local communities.

PI: Anne King, M.B.A.

Funder: Moda Health

Term: 2021-2023

ORPRN Contact: Martha Snow, M.P.H., snowm@ohsu.edu

EOCCO Transformation Community Benefit Initiative Reinvestments Program

Topic: ORPRN administers the TCBIRP which provides funding and technical assistance to health systems, clinics, public health, social service agencies and community advisory councils aimed at improving health care and population health in Eastern Oregon.

PI: Anne King, M.B.A.

Funder: Moda Health

Term: 2022-2024

ORPRN Contact: Martha Snow, M.P.H., snowm@ohsu.edu

HEAL-OR — Health Equity, Access and Quality Improvement using Project ECHO in Rural Oregon

Topic: HEAL-OR is a five-year project focusing efforts in six rural counties in Oregon. Activities include: creating a rural advisory panel; utilizing the Project ECHO learning community model to improve health equity, access and quality in rural Oregon; partnering with Coordinated Care Organizations to guide ECHO programs; and creating a best-practice toolkit.

PI: Jonathan Betlinski, M.D.

Funder: DHHS HRSA Office of Rural Health Policy

Term: 2021-2026

ORPRN Contact: Maggie McLain McDonnell, M.P.H., healor@ohsu.edu

ICPF—International Conference on Practice Facilitation

Topic: Partnered with the North American Primary Care Research Group (NAPCRG) and a consortium of primary care practice facilitation stakeholders to expand and further develop the International Conference on Practice Facilitation (ICPF) to address the growing professional needs of facilitators.

PI: Melinda Davis, Ph.D.

Funder: Agency for Healthcare Research and Quality

Term: 2020-2023

ORPRN Contact: Brittany Badicke, M.P.H., badicke@ohsu.edu

ILOS, SHARE, HRS — In-Lieu of Services, Supporting Health for All through Reinvestment, Health-Related Services

Topic: Provide technical assistance to CCOs to implement Medicaid flexibilities to address social determinants of health and equity.

PI: Anne King, M.B.A.

Funder: Oregon Health Authority, Transformation Center

Term: 2021-2025

ORPRN Contact: Bethany Lowe, lowbe@ohsu.edu

MATH — Promoting Math in Young Children: Leveraging pediatric clinics to reach underrepresented children in rural communities

Topic: Math literacy for preschool-aged children; enroll parents of children ages 3-4 years in 8-month texting program, hope that texting program improves children's math literacy

PI: Jaime Peterson, M.D.; LeAnn Michaels

Funder: National Science Foundation

Term: 2022-2025

ORPRN Contact: Kendall Dunlop-Korsness, summerca@ohsu.edu

Meta-LARC ACP — Meta-Network Learning and Research Center Advanced Care Planning

Topic: A cluster-randomized trial comparing team-based versus primary care clinician-focused advance care planning in practice-based research networks.

PI: Annette Totten, Ph.D. (US PI); France Légaré, M.D., Ph.D. (Canada PI)

Funder: Patient-Centered Outcomes Research Institute

Term: 2017-2023

ORPRN Contact: LeAnn Michaels, B.S., michaell@ohsu.edu

OEN — Oregon ECHO Network

Topic: A tele-mentoring education model designed to build the capacity of primary care clinicians and educate clinical teams on a variety of topics:

- * Addiction medicine in a variety of settings
- * Mental health
- * COVID-19
- * Pediatrics, pediatric mental health, and resource care
- * Geriatrics
- * Gender affirming care
- * Diabetes
- * Precepting

Funder: Various, including CCOs, Department of Human Services, and the Oregon Health Authority

Term: Ongoing

ORPRN Contact: Maggie McLain McDonnell, M.P.H., mclaima@ohsu.edu

Web Link: www.oregonechonetwork.org

PATHFINDER 2 — Clinical Trial of a Multiple Early Cancer Detection Test in Partnership with Knight Cancer Institute

Topic: Testing how well an early test detects many types of cancer via simple blood draw

PI: Dr. Nima Nabavizadeh

Funder: GRAIL

Term: 2022-2023

ORPRN Contact: Laura Ferrara M.A. CCRP, ferraral@ohsu.edu

PINPOINT — Improving Pain and Opioid Management in Primary Care

Topic: Engage in a practice-specific intervention to reduce inappropriate opioid prescribing, improve patient outcomes, and promote more informed prescribing practices.

PI: Brigit Hatch, M.D., M.P.H.

Funder: Oregon Health Authority

Term: 2019-2023

ORPRN Contact: Victoria “Kati” Sanchez, M.S., sanchvic@ohsu.edu

RAVE—The Rural Adolescent Vaccine Enterprise

Topic: Test novel interventions in rural primary care practices and rural community-based organizations intended to increase HPV vaccination completion in both males and females aged 11-17 years.

PI: Brigit Hatch, Patty Carney

Funder: American Cancer Society

Term: 2018-2024

ORPRN Contact: Caitlin Dickinson, M.P.H., summerca@ohsu.edu

SMARTER CRC — Screening More patients through Adapting and Refining Targeted Evidence-based Interventions in Rural settings

Topic: To improve CRC screening rates, follow-up colonoscopy, and referral to care in rural Medicaid patients by implementing a direct mail fecal testing program with targeted outreach and patient navigation for follow-up colonoscopy.

PI: Melinda Davis, Ph.D.

Funder: NIH National Cancer Institute

Term: 2019-2024

ORPRN Contact: Jen Coury, M.S., coury@ohsu.edu

Social Determinant of Health and Health Equity Population Approaches to Chronic Disease Prevention

Topic: Provide education and technical assistance to primary care clinics around the use of social needs data to inform clinical decision-making, and develop population-based approaches to prevention and management of chronic diseases.

PI: Anne King, M.B.A.

Funder: OHA

Term: 2022-2023

ORPRN Contact: Sara Wild, M.P.H., wilsa@ohsu.edu

Social Determinant of Health TA Contract

Topic: Provide CCOs with technical assistance to implement the newly passed SDOH Social Needs and Referral measure

PI: Anne King, M.B.A.

Funder: OHA

Term: 2022-2024

ORPRN Contact: Sara Wild wilsa@ohsu.edu

OHSU-PSU School of Public Health Workforce Development

Topic: In partnership with the OHSU-PSU School of Public Health to invest in infrastructure, collaborate with internal and external stakeholders and to offer valuable educational programming, and disseminate evidence-based practices for the professional public health workforce in Oregon.

PI: Melinda Davis, Ph.D.

Funder: OHSU-PSU School of Public Health

Term: 2021-2025

ORPRN Contact: Brittany Badicke, M.P.H., badicke@ohsu.edu

WPSI Pilot Project: Anxiety and IPV Screening Practices for Women in Primary Care

Topic: Rural primary care clinic screening practices for women for anxiety and IPV

PI: Amy Cantor, M.D, M.P.H., F.A.A.F.P.; Heidi Nelson, M.D.

Funder: HRSA

Term: 2022-2023

ORPRN Contact: Caitlin Dickinson,
summerca@ohsu.edu
