

OHSU Scholars of Well-Being Application Form

Thank you for your interest in promoting the well-being of OHSU students! Please email this completed form and your resume or CV to Jen Cai at caije@ohsu.edu. Questions are welcome also. Please apply **October 9, 2023**. Applications may be considered after this date if space is still available. The cohort will start in October or November.

Name: _____
Email address: _____ Phone number: _____
Program and year: _____

Which level(s) of engagement are you interested in? Please put a “1” by your top choice and a “2” by your second choice (or leave the second choice blank if you only want to be considered for one level). See the role description for details on what each level involves.

_____Scholars of Well-Being Participant

_____Scholars of Well-Being Student Leader

What interests you in joining the OHSU Scholars of Well-Being? What are you most excited about?

What experiences, skill sets, perspectives, backgrounds, and/or passions will you bring to your work with the Scholars of Well-Being?

What initial ideas do you have for a wellness service project to benefit OHSU students?

Are you able to commit to attending Scholars of Well-Being meetings approximately every 1-2 months? These will be determined based on the majority of participants' schedules, and will likely be a weekday evening (6 or 7pm) or noontime from October - May. Are there any concerns you want us to know or discuss ahead of time?

Is there anything else you want to share with us?

Applications will be reviewed by Jen Cai, Student Health Wellness and Outreach Program Manager, Lili Bornio Carrillo (PA '22 and Scholars of Well-Being co-founder) and Maria Hayes (OHSU Clinical Psychology Student and Student Worker at Student Health).

Criteria includes:

- Representation across OHSU programs
- Ability to commit to regular participation in Scholars of Well-Being activities
- Experience and/or demonstrated strong interest in promoting well-being and developing as a leader in wellness
- Diversity of interests, experiences, backgrounds, and perspectives across the cohort
