

Student Interest Groups

Registration for Academic Year 2023-2024	Student Group	Mission Statement	Primary Contact	Secondary Contact	Faculty Advisor	Events & Activities
Registration Completed October 19, 2023	Accessible OHSU	<p>We are committed to advocating for students who experience disability, chronic illness, and neurodivergence by:</p> <ul style="list-style-type: none"> - Advocating for learning, testing, and clinical accommodations. - Campaigning for the educational needs of all students, current and future. - Providing a central forum to discuss accessibility needs and collaboratively envision solutions. 	<p>Elise Thompson thomelis@ohsu.edu</p>	<p>Erica Leser leser@ohsu.edu</p>	<p>Dr. Magdalena Muchlinski School of Medicine Anatomical Services muchlins@ohsu.edu</p>	<ul style="list-style-type: none"> • Group and project meetings.
Registration Completed November 15, 2022	Addiction Informed Care	<p>To promote student awareness of how to provide competent, compassionate, and addiction informed care.</p>	<p>Jared Cloutier cloutier@ohsu.edu</p>	<p>Jaclyn Roland-Megowan rolandmc@ohsu.edu</p>	<p>Dr. Honora Englander Department of Medicine englandh@ohsu.edu</p>	<ul style="list-style-type: none"> • Intro to Addiction Medicine Elective, fall and spring; • Addiction Medicine Crash course; • HCEF table with PPOP
Registration Completed November 6, 2023	Aerial Art Magazine	<p>Aerial Magazine is a platform for student expression where we strive to bridge our passion for art and science. We seek diverse works that showcase the unique perspectives of budding medical professionals and scientists in the Pacific Northwest.</p>	<p>Keaton Weil Welk@ohsu.edu</p>	<p>Sydney Weese weeses@ohsu.edu</p>	<p>Michael Walsh, Ed.D. Vice Provost for Student Affairs walshmic@ohsu.edu</p>	<ul style="list-style-type: none"> • Leadership meetings; • Organization-wide meetings; • Design team meetings
Registration Completed May 16, 2023	Aging and Palliative Care Interest Group	<p>To engage medical students with the fields of geriatrics and palliative care and to enrich understanding of caring for older adults and for patients at the end of life.</p>	<p>Duncan Fuller fullerdu@ohsu.edu</p>	<p>Erica Leser Leser@ohsu.edu</p>	<p>Elizabeth Eckstrom, MD Internal Medicine and Geriatrics eckstrom@ohsu.edu</p> <p>Adi Shafir Palliative Care shafira@ohsu.edu</p>	<ul style="list-style-type: none"> • Physician panels; • Lunch activities; • Community Outreach

<p>Registration Completed October 31, 2023</p>	<p>All-Hill Student Council</p>	<p>The mission of the All-Hill Student Council is: 1) to maintain and develop an intellectually stimulating atmosphere conducive to the acquisition and application of health and science knowledge; 2) to take action in the best interest of the student body and the OHSU community; 3) to provide an official unified voice through which student opinion may be expressed; 4) to provide an official and representative student on school designated committees which receive complaints, investigate student problems and participate in decisions impacting OHSU students; 5) to establish and maintain formal communication between the student body and the faculty/administration; 6) to promote the exchange of information and ideas among the various schools at OHSU. The council hosts social and educational events and funds students and student groups/organizations who wish to provide services to the entire student body.</p>	<p>Arianna Sattler sattler@ohsu.edu</p>	<p>Arianna Sattler sattler@ohsu.edu</p>	<p>Karen Seresun Assistant Vice Provost for Student Life seresunk@ohsu.edu</p>	<ul style="list-style-type: none"> • Social activities • Community events • Recognition events
<p>Registration Completed September 20, 2023</p>	<p>Alliance for Visible Diversity in Science (AVDS)</p>	<p>The Alliance for Visible Diversity in Science (AVDS) focuses on one central mission - to increase racial and ethnic equity within the research programs at Oregon Health and Science University (OHSU) by recruiting, retaining, and most importantly, supporting PEER (People Excluded based on Ethnicity and Race) graduate students, postdoctoral scholars, staff, and faculty members.</p> <p>We recognize and reflect the important notion that in order to increase diversity on our campus, we must make targeted, deliberate, and measurable efforts to create an environment that not only welcomes, but encourages a diverse population of people.</p> <p>In modern science research, academic success and scientific breakthrough rests on our utilization of multifaceted approaches and perspectives. By cultivating visible diversity, we believe that the exposure to a variety of ideas and collective experiences will foster creativity and relationships - enriching our academic environment and strengthen our scientific community as a whole.</p> <p>The Alliance for Visible Diversity in Science is a collective of individuals with diverse views, joined by their commitment to increase participation of underrepresented minorities in the sciences. AVDS executes its mission in a collaborative and democratic manner. Therefore, no individual's opinions are representative of AVDS as a whole.</p>	<p>Nina Luong A4vdis@ohsu.edu</p>	<p>Alexandra Houser A4vdis@ohsu.edu</p>	<p>Letisha R. Wyatt, PhD Neurology wyattl@ohsu.edu</p>	<ul style="list-style-type: none"> • Education; • Community Building; • Racial Justice Advocacy; • Steering Committee Meetings.

Registration Completed October 19, 2023	American Medical Association	The American Medical Association (AMA) at Oregon Health and Sciences University is the local chapter of the national AMA. The AMA is a professional organization that represents physicians and medical students at the national and state health policy levels. This chapter is committed to informing our medical community about national health policies in Oregon and nationally. Our goal is to empower medical students to build their skills in legislative advocacy. Opportunities in our chapter include travel awards to state and national policy conferences, attending Oregon Medical Association meetings, and career development.	Amara Pang pangam@ohsu.edu	Mizan Gaillard Gaillard@ohsu.edu	R. Logan Jones, MD Internal Medicine joneslo@ohsu.edu	<ul style="list-style-type: none"> • Meetings • Career development panels; • Daily liaison between AMA and OHSU.

Registration Completed October 12, 2022	Orofacial Pain and Airway Centered Disorders Student Club	Our club is focused on orofacial pain and airway centered disorders, and the role that dentists can play in their recognition and treatment. Topics of interest include, but are not limited to temporomandibular joint disorders (TMD), obstructive sleep apnea, bruxism, mouth breathing, snoring, upper airway resistance syndrome, and headaches/migraines. The treatment of these disorders provides relief of pain, directly improves the quality of life for patients, and can even extend life expectancy. At club meetings we will introduce these disorders, review the literature, have case presentations and guest lecturers, explore treatment modalities, introduce the concept of medical billing for dentists, and also provide resources for students on attending graduate programs, residencies, and CE programs. Since treating these disorders often involves interdisciplinary efforts across multiple medical disciplines, all OHSU students and faculty are welcome to attend club meetings, provide their own perspective, and learn more.	Nathan Mitchell mitchena@ohsu.edu	Kacie McKeon McKeon@ohsu.edu	Ying Wu, DDS, MSD, PhD School of Dentistry Integrative Biomedical & Diagnostic Science; Oral Pathology and Radiology; yingw@ohsu.edu	<ul style="list-style-type: none"> • Club meetings;
