OREGON NURSING EDUCATION ACADEMY

Fall 2023 Newsletter

**ONEA Purpose**

The purpose of Oregon Nursing Education Academy is to recruit, retain, and educate nurses in Oregon and in Health and Human Services Region 10 (Washington, Idaho, Alaska) to serve as clinical nurse faculty and preceptors to increase the nursing workforce and improve health equity.

**ONEA at OCNE Conference in Seaside Oregon**

Twenty-one ONEA scholars attended the May 2023 OCNE conference in Seaside Oregon. Scholars met for the first time in-persona and were able to network with nurses across the state. “I gained some new tools that I will be using in my precepting. The conference also helped re-energize my enthusiasm for my career.

**Preceptor Program Applications Open Through Dec 15, 2023**

This six-month program provides scholarship support to enroll in two online graduate nursing courses at OHSU beginning April 2024 & ending September 2024.

Promoting Nurse Educators

In an effort to highlight Clinical Nurse Educators in the Pacific Northwest. The ONEA leadership team has been working on a series of promotional videos. Interviews have taken place across Oregon and in Washington. While the videos are still under production, highlights are included in our “Spotlight on a Clinical Nurse Educator”

“I think the one that brings the most joy to my professional life is connecting with nurses as a person and as a professional and really supporting them in the best biggest possible ways. I can to help them obtain their professional goals”

-CARRIE KRONBERG

ONEA Scholar Meet-ups

In our first grant year, we have hosted nine virtual and one in-person Scholar Meet-ups. With the intent to build community we have had 125 attendees at our meet ups. A variety of activities and guest speakers including small group discussion. Special guests have included Dr. Linda Felver, Dr. Paula Gubrud, Dr. Ann Nielsen & Dr. Kris Weymann. Scholars have appreciated the opportunity to connect with their peers, teaching assistants and our ONEA grant leadership team.
The Many Roads to a Career in Nursing Education

There are many paths to nursing education. We have highlighted a former OHSU Graduate John Elliot to illustrate just one of the ways to enter the world of Nursing Education.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling $988,824 with 0% percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.
