Are you a Dad, Granddad, or male-identifying caregiver? Join Chuck Smith, OR F2F HIC Parent Partner, to talk about:

- What helps dads participate fully in the development and care of their children?
- What are the barriers that keep dads from being fully involved?
- How can providers support dads in being present for their children with special health care needs?

Questions: contact@oregonfamilytofamily.org | 855-323-6744

**Spanish interpretation available. For other languages, submit request two weeks prior to event.*

The Family to Family Health Information Center is a project of the Oregon Center for Children and Youth with Special Health Needs. It is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) (Grant # H84MC21658/Family Professional Partnerships)
