The [First Annual Forum on Rural Population Health & Health Equity](#) (Forum) will be held virtually June 12-13, 2024.

The Forum, which launches in 2024, aims to strengthen community health in rural Oregon by gathering experts, leaders and practitioners from across the health care continuum to share best practices, resources, case studies and innovations focused on enhancing community health from an array of perspectives.

Sessions featured at the Forum will center around addressing population health and/or health equity in rural communities (inclusive of addressing social drivers of health, health disparities, and other related topics); advance learning around population health and health equity models and strategies; and include tangible action items for attendees and/or best practices on how to implement programs in rural communities.

ORH believes this event has the ability to advance population health in rural Oregon by offering innovative, easily accessible and solution-driven content.

A partnership donation will:

- Help ORH continue to offer the Forum this year and in years to come;
- Showcase your organization as a cornerstone in our efforts to promote rural population health and health equity; and
- Any remaining funds contribute to the [Rural Population Health Incubator Program](#) which provides grants of up to \$10,000 each to rural health care facilities and nonprofit organizations to address a population health needs in their rural communities.

Benefits of a partnership:

- Your organization's logo will be displayed on the Forum website and conference session slides
- Your organization's logo on Forum marketing materials (for contributions of \$1,000 or greater)
- Your organization will receive two free registrations for the Forum (for contributions of \$500 or greater)
- ORH will acknowledge your generous contribution to the Forum during opening remarks (for contributions of \$1,000 or greater)
- Acknowledgement of your organization's contribution during opening remarks (for contributions of \$1,000 or greater)
- A virtual booth on the Whova conference platform
