Discount Agreement Terms & Conditions

1. All orders for IDT products or services submitted pursuant to this Discount Agreement, are made expressly and exclusively subject to the IDT Terms and Conditions of Sale, located at [IDT's Website](#).

These Terms are the only terms and conditions applicable to the sale or other provision of IDT's products and services to Customer. Customer's submission of a purchase order, or acceptance of delivery of products and/or services, each constitute its acceptance of these Terms. If any Purchase Order issued by Customer for the purchase of product contains additional or different terms or conditions than those contained in the IDT Terms and Conditions of Sale, IDT deems such additional or different terms or conditions to be material alterations and notice of objection to them is hereby given and all such additional and/or different terms or conditions are hereby rejected and are null and void.

2. This Discount Agreement, any and all pricing and discounts contained herein, and any related proposals or correspondence between Customer and IDT shall be considered confidential information. Customer agrees to hold such information in strict confidence and not to disclose it to any third parties.

3. IDT reserves the right to change this pricing at any time without notice.

Pricing represents discount for 10/03/23. Pricing is subject to change based on standard List pricing adjustments.
