

### OHSU Scholars of Well-Being Application Form

Thank you for your interest in promoting the well-being of OHSU students! Please email this completed form and your resume or CV to Jen Cai at [caije@ohsu.edu](mailto:caije@ohsu.edu). Questions are welcome also. Please apply **October 9, 2023**. Applications may be considered after this date if space is still available. The cohort will start in October or November.

Name: \_\_\_\_\_  
Email address: \_\_\_\_\_ Phone number: \_\_\_\_\_  
Program and year: \_\_\_\_\_

**Which level(s) of engagement are you interested in?** Please put a “1” by your top choice and a “2” by your second choice (or leave the second choice blank if you only want to be considered for one level). See the role description for details on what each level involves .

\_\_\_\_\_Scholars of Well-Being Participant

\_\_\_\_\_Scholars of Well-Being Student Leader

**What interests you in joining the OHSU Scholars of Well-Being? What are you most excited about?**

**What experiences, skill sets, perspectives, backgrounds, and/or passions will you bring to your work with the Scholars of Well-Being?**

**What initial ideas do you have for a wellness service project to benefit OHSU students?**

**Are you able to commit to attending Scholars of Well-Being meetings approximately every 1-2 months? These will be determined based on the majority of participants' schedules, and will likely be a weekday evening (6 or 7pm) or noontime from October - May. Are there any concerns you want us to know or discuss ahead of time?**

**Is there anything else you want to share with us?**

Applications will be reviewed by Jen Cai, Student Health Wellness and Outreach Program Manager, Lili Bornio Carrillo (PA '22 and Scholars of Well-Being co-founder) and Maria Hayes (OHSU Clinical Psychology Student and Student Worker at Student Health). Criteria includes:

- Representation across OHSU programs
- Ability to commit to regular participation in Scholars of Well-Being activities
- Experience and/or demonstrated strong interest in promoting well-being and developing as a leader in wellness
- Diversity of interests, experiences, backgrounds, and perspectives across the cohort
