

# Improving Mental Health Care Access: Successfully Including Patients with I/DD

## Virtual Training Webinar

May 31st at 12:00-1:30 PM

The Oregon Office on Disability and Health (OODH) will be offering all mental health care professionals a training to increase awareness and confidence in providing care to people with intellectual and developmental disabilities (IDD).

**Register for the training [here!](#)**

### Accreditation:

The School of Medicine, Oregon Health and Science University (OHSU), is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### Credit:

Oregon Health & Science University School of Medicine designates this live activity for a maximum of 1.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Free CME offered to participants who successfully complete the training.**

### Target Audience:

## Mental Health Care Providers

After completing the training, participants will:

- Recognize the prevalence of disability
- Identify disability-related disparities in accessing mental health care
- Identify barriers in effectively communicating with patients with IDD
- Evaluate personal existing assumptions and biases in providing mental health care to people with IDD
- Implement methods to reduce access barriers
