

## Oregon's New YSHCN Program: Expanding Health Care for Young Adults with Special Health Care Needs

Join this information session for young adults, caregivers, and professionals who work with young adults

Starting Jan. 1, 2025, the Oregon Health Plan (OHP) will offer more benefits to young adults ages 19 and 20 who have special health care needs!

This program is called the Young Adults with Special Health Care Needs (YSHCN) program.

Join the ORF2FHIC and the Oregon Health Authority (OHA) to learn more.

We will cover:

- What is YSHCN Program?
- What benefits does it offer?
- Eligibility requirements
- How to enroll
- What this new program means for Oregon's young adults
