

# DENTAL EXPLORERS

## 2024-25 Schedule

All meetings will begin promptly at 6:00 pm at the School of Dentistry in the Robertson Life Science Building (RLSB) and will end at approximately 8:00 pm. Meetings will include a short lecture presentation followed by a hands-on lab. See page two for important information about parking and accessing the buildings after 5:00 pm.

\* **Please note:** Lecture topics and presenters are tentative and subject to change.

**Questions?** Please call the Office of Admissions at (503) 494-8825.

## Course Outline

**Academic Credit:** In some situations, completion of Dental Explorers may be used towards high school course requirements but should be prearranged with the participant's high school. OHSU and the School of Dentistry do not issue academic credit towards high school diplomas. Students seeking credit towards high school coursework or a letter of completion are allowed no more than one absence over the duration of the course before any form verifying completion is signed or a letter of completion is composed.

**Cancelled Class:** Should class be cancelled, email notification will be sent at least one day prior to the scheduled date. Be sure to check your email.

**Door Security:** The Robertson Life Sciences Building (RLSB) is badge-access only. There is an entrance on the southwest side of the building, facing Moody Ave that will be staffed from 5:30 to 6:00 pm. If you are late, you may not be able to access the building.

### **Parking Options:**

- **Underground RLSB parking garage:** \$3 an hour until 6:00 pm, \$4 flat rate after 6:00 pm
- **Schnitzer Lot** (surface lot one block north of RLSB): Free evenings and weekends
- **Public transportation** (MAX Orange Line, Portland Streetcar, Trimet bus lines 9, 17, 19 291 & FX2)

**Elevators:** The School of Dentistry and RLSB is accessible by ID badge only. Because of this you will need to use the South Tower elevator to access the lecture halls on the second and third floors.

**Inclement Weather Policy:** OHSU remains open regardless of weather conditions. If weather conditions force class to be cancelled, email notifications will be sent out. Use your best judgment based on your local weather conditions.
