

## 2025-26 CHILDCARE PROVIDER STATEMENT

Dependent care expenses may be taken into consideration as educational costs. If you are incurring these expenses, complete this form at any time during the academic year to request a financial aid review and possible budget increase for these costs. Increased funding will be offered as available based on individual student eligibility and in accordance with federal, state, and institutional regulations or policies.

The **maximum amounts allowed** are included in the 'Student Financial Aid Explained' document on the [www.ohsu.edu/finaid](http://www.ohsu.edu/finaid) webpage. **Note:** If you are experiencing costs that exceed the maximum childcare costs, you can appeal by providing an explanation about the additional costs and why they will be higher. Please do not use this form to report your child support payments.

If you live in Multnomah County and have preschool aged children, you may be eligible for the Preschool for All program. Find more information at [Preschool for All](#).

We are unable to provide childcare costs adjustments if the provider is the parent or legal guardian of the child.
