Genetic Services for Children with Special Health Needs: Your Questions Answered!

Genetic Support Foundation (GSF) is a nonprofit dedicated to helping people understand genetic health and expanding access to genetic counseling.
www.geneticsupportfoundation.org

Join us for answers to common questions like:

- **When** should I seek a genetic evaluation for my child?
- How do I get my child a **referral** to a genetic clinic?
- How much does genetic **testing cost**?

TUES, April 8, 2025 | 6:00 pm -7:00 pm | Cost: Free
