

## Intro to the *new* Service Animal Toolkit

Lydia Dennehy  
Parent Partner  
Oregon Family to  
Family Health  
Information Center

This session is open to parents, caregivers, and professionals who support children with special health care needs

Curious about the benefits and support of a service animal? Not sure where to start? Join this informative session to learn more.

We will cover:

- The differences between pets, support animals, service animals, and therapy animals
- Training requirements and other basic facts
- Cost, how to fund, and other resources

WEDS, April 9, 2025 | 6:00 pm -7:00 pm | Cost: Free
