Cost: Free

Join other parents/caregivers to talk about what goes into finding a new doctor when your young adult makes the move from pediatric to adult care. This Table Talk will be especially helpful if your young adult has multiple doctors or Intellectual/Developmental Disabilities (IDD).

Resources provided and a drawing will be held.

*This session will be offered in [Spanish](#) on Thursday, June 26. To request interpretation in any other language, [request via email](#) by June 16.*

The Family to Family Health Information Center is a project of the Oregon Center for Children and Youth with Special Health Needs. It is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) (Grant # H84MC21658/Family Professional Partnerships)
