

Accessibility Programs at *PGE, ID Power, Pacific Power*

This session is open to parents, caregivers, and professionals who support children with special health care needs

Curious about the types of accessibility support available through your electricity provider? These companies have a lot to offer their customers!

Join us to learn about:

- Outage preparedness (what to do when the power goes out)
- Backup power resources (generators, batteries, safety)
- Rate assistance (programs to help pay for utilities)

Service areas:
