

Health Emergency Ready Oregon (HERO) Kids Registry

In an Emergency Every Moment Counts

A voluntary registry for ALL Oregon children and young adults!

HERO Kids gives EMS and ED providers real-time access to **key health information** for routine emergencies and **reunification** during disasters.

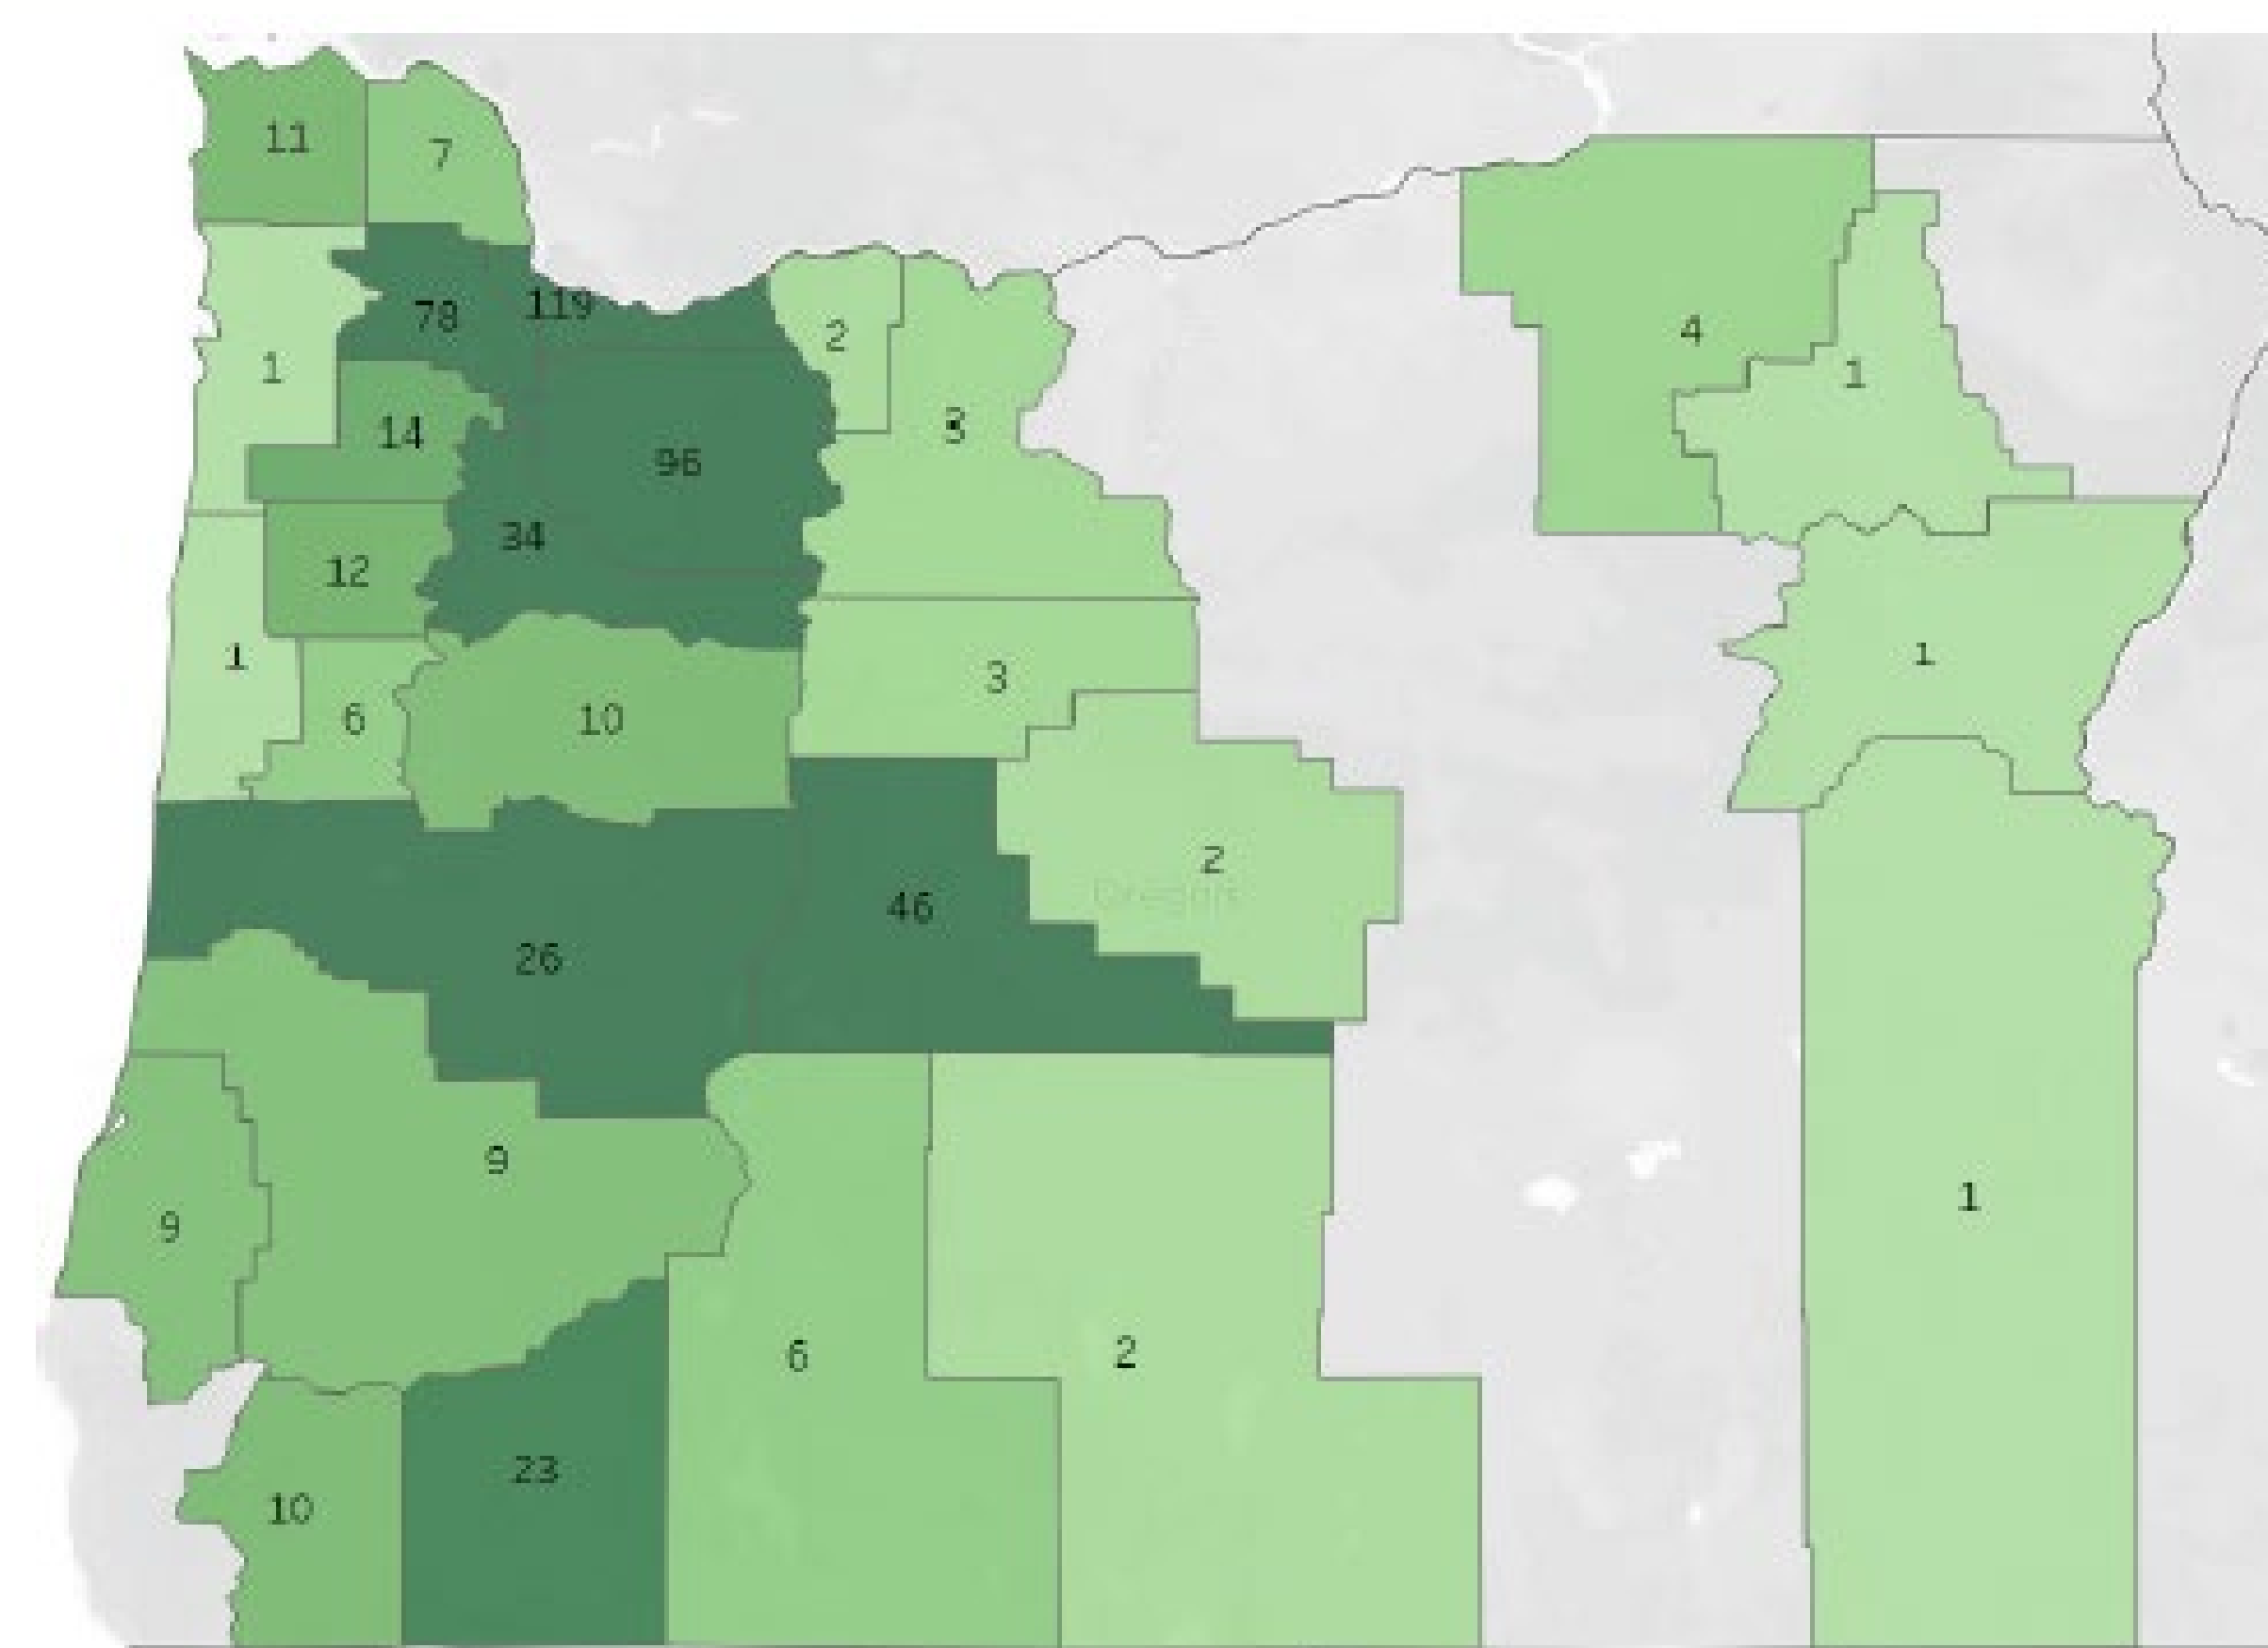

HERO Kids Registry bridges the information gap by giving emergency medical providers information about special health considerations as well as multiple emergency contacts.

HERO Kids registry ID sticker

HERO Kids registry ID backpack tag

HERO Kids form (printed)

HERO Kids registrants by county, through 8/31/25

Highlights:

- 24/7 access for Oregon EMS agencies and emergency departments through:
 - *Hotline, app, printed form, and direct linkage with Emergency Department Information Exchange (EDIE)*
- Registration is family-driven and is completed online or by mail
- Developed in partnership with Oregon EMS for Children, Oregon Family-to-Family Health Information Center, families, and other stakeholders
- Based on Oregon's POLST Registry platform and infrastructure
- Registry platform can be replicated by other states
- Administered by Oregon Health & Science University

“As a person with a disability you cannot see, this registry is very important to me.” – Trinity R.
