

**TMM (Transgenic Core) Fees**  
**FY 2026 (07/01/2025-06/30/2026)**

<b>SERVICES</b>			
<b>Resuscitation/ Rederivation of Mouse Lines</b>			
<b>IBS Code</b>	<b>Service</b>	<b>Details</b>	<b>Price*</b>
<b>104A</b>	Resuscitation /Rederivation via Embryo Transfer	Production of guaranteed clean animals after embryo transfer	\$760
<b>104A1</b>	Resuscitation /Rederivation via frozen Embryo Transfer	Production of guaranteed clean animals after embryo transfer	\$650
<b>104B</b>	Resuscitation/ Rederivation via IVF with Thawed Sperm	Production of guaranteed clean animals after IVF embryo transfer	\$1870
<b>Cryopreservation of Germplasm</b>			
<b>110E</b>	Cryopreservation of Embryos	Freezing of 20-30 eight cell stage embryos per two female mice provided	\$1870
<b>110EQC</b>	Quality Control of Frozen Embryos	The generation of live 14-day old fetuses by retransfer of thawed embryos into the uterus of a foster dam	\$230
<b>110S</b>	Cryopreservation of Sperm	Freezing of 10 vials of sperm	\$600
<b>110QC</b>	Quality Control of Frozen Sperm	One vial will be thawed, and sperm quality will be evaluated visually	\$47
<b>111</b>	Cryo Storage of Embryos/Sperm/ES Cells	10-20 vials/straws, 1 line/year, for lines #1-10	\$120
<b>112</b>	Cryo Storage of Embryos/Sperm/ES Cells	10 vials/straws, 1 line/year, for lines #11-20	\$90
<b>113</b>	Cryo Storage of Embryos/Sperm/ES Cells	10 vials/straws, 1 line/year, for lines #21-30	\$60
<b>114</b>	Cryo Storage of Embryos/Sperm/ES Cells	10 vials/straws, 1 line/year, for lines #31-50	\$30
<b>115</b>	Cryo Storage of Embryos/Sperm/ES Cells	10 vials/straws, 1 line/year, for lines #51 or more	\$12

<b>Miscellaneous**</b>			
<b>IBS Code</b>	<b>Service</b>	<b>Details</b>	<b>Price*</b>
<b>121A</b>	Labor Work	Hourly rate	\$40
<b>121AA</b>	Consulting Fee	First hour is free of charge	\$67
<b>121B</b>	Material	Reagents, supplements, etc.	Variable
<b>121C</b>	Small Mouse Cage Per Diem	Same as DCM rate, Conventional conditions	\$1.22
<b>121D</b>	Small Mouse Cage Per Diem	Same as DCM rate, Super barrier conditions	\$1.41
<b>121E</b>	Large Mouse Cage Per Diem	Same as DCM rate, Super barrier conditions	\$1.56
<b>130</b>	Importation	Coordination of importation of mice, germplasm, tissue, or cells from outside to OHSU	\$130
<b>131</b>	Exportation	Coordination of exportation of mice, germplasm, tissue, or cells to outside from OHSU	\$120
<b>132</b>	Rental of Dry Shipper	Filling of dry shipper by liquid nitrogen and providing for export	\$120
<b>133</b>	FedEx, World Courier, UPS Service	FedEx, World Courier, UPS shipping fees	Variable

\*Standard Prices may vary depending on mouse donor strain and client's affiliation. Changes will be based on the cost of additional reagents, mice and time of personnel of TMM. External academic clients and commercial clients must pay an extra fee of 15% and 50% respectively.

\*\* Miscellaneous Service means different types of additional services e.g. isolation of mouse tissues, breeding etc. Price of Miscellaneous Service will be based on the cost of additional reagents, cells, mice and time of personnel of TMM.
