Are you a Dad, Granddad, or male-identifying caregiver? Join Chuck Smith, OR F2F HIC Parent Partner, to talk about:

- What helps dads participate fully in the development and care of their children?
- What are the barriers that keep dads from being fully involved?
- How can providers support dads in being present for their children with special health care needs?

As a thank you for participating, there will be a drawing at the end of the session.
