**Vaccine Administration Fee	90471/90472	Initial \$89/additional \$89	Initial \$57.85/additional \$57.85

*Gardasil 9 is free for those within the FDA approved clinical guidelines. Tetanus boosters are free to those due for booster doses within the FDA guidelines after matriculation

****All vaccines have an administration fee added to the cost. There is no administration fee for Tuberculosis Screening (PPD)**

- **Free:** Student compliance requirements include **annual influenza vaccinations, annual tuberculosis screening, and maintaining updated tetanus vaccinations only.** These are not billed to your insurance and are free.
- **Billed:** All other vaccinations and titers are billed to insurance and subject to insurance copays and deductibles.
- **Self-pay:** You can choose to pay a self-pay fee for vaccinations prior to receiving these services. Your insurance will not be billed in this situation. **A self-pay option is not available for titers/ lab draws.**
- **Titers (lab draws):** SHW is not able to provide estimated costs for titers/lab draws. **Please see CPT billing codes for required titers:**
