

OHSU HEALTH SERVICES FORMULARY

Introduction

The formulary is a list of drugs that are covered. The list is from a health care team that reviews drugs. The formulary is updated at least once a year. We will tell you about changes that affect you at least 30 days ahead of time.

How to Search

You can look for drugs on the formulary in a couple of ways:

- By Use: Drugs used to treat the same conditions are listed together.
- Alphabetically: Drugs are also listed in alphabetical order with page number.

Limits & Restrictions

Drugs that have limits or need more information before they are covered, are listed in these ways:

Type	Description
Prior Authorization (PA)	Your provider will need to fill out a form and send it to us so we can review if the drug is covered.
Step Therapy (ST)	You may need to first try another drug or series of drugs.
Quantity Limit (QL)	A limited amount of drug is covered without our approval.
Age Limit (AGE)	These drugs are covered only for certain ages. If you are younger or older than the age listed, we will need more information from your provider before we will cover the drug.
Specialty Drug (SP)	You will need to fill the drug at a specialty pharmacy.

To ask that we pay for a drug with a limit or restriction, your provider can send in a request form with notes. This form can be found on our website at: www.ohsu.edu/healthshare. Once we receive this, we will see if we are able to cover the drug.

Drugs Not Covered

Drugs that are not covered include the following:

- Drugs not on the formulary
- Drugs not used for approved medical reasons
- Drugs used for conditions not covered by the Oregon Health Plan
- Drugs used for research
- Drugs used for cosmetic reasons

Mental health drugs are not listed on the formulary, but are covered by the Oregon Health Plan.

Drugs Not on Formulary

Drugs not on the formulary may not be covered. Your provider can send in a form with notes asking that we cover the drug for you. This form can be found on our website at: www.ohsu.edu/healthshare. Once we receive this, we will see if we are able to cover the drug.

Pharmacies

Most of the drugs on the formulary can be filled at our retail pharmacies. Specialty drugs are filled at a specialty pharmacy. For information about pharmacies that we work with, call Customer Service at the number below.
