

OHSU TELE-PREP PROGRAM

HIV Prevention with OHSU Tele-PrEP

Your health. Your choice. Your plan.

OHSU
Health

HIV prevention can be simple, private, and tailored to you

What is PrEP?

PrEP is a safe, proven way to prevent HIV through:

- A daily pill
- Pills taken only around sex
- Long-acting shots every 2 or 6 months

How Tele-PrEP works

- If you're new to OHSU: Call Registration at 503-494-8505 to set up an account.
- Schedule your visit: Call the OHSU Internal Medicine Clinic at 503-494-8562 and ask for a "Tele-PrEP appointment."
- We'll connect you with a PrEP expert for a video visit to talk about your needs.

We accept many insurance plans, including Medicare and Medicaid. Your coverage will be confirmed before your first appointment.

Our services

- Management of all PrEP options
- Sexual health counseling
- Testing and treatment of STIs
- PrEP shots through OHSU Home Infusion Pharmacy
- Opportunities to participate in PrEP research
