

# Vollum Seminar Series: 2025 – 2026

---

2025

|     |    |                                                                     |
|-----|----|---------------------------------------------------------------------|
| SEP | 25 | <b>Marc Freeman, Ph.D.</b> – OHSU                                   |
| OCT | 2  | <b>Henrique von Gersdorff, Ph.D.</b> – OHSU                         |
|     | 9  | <b>Arpy Saunders, Ph.D.</b> – OHSU                                  |
|     | 16 | <b>Cody Call, Ph.D.</b> – OHSU                                      |
|     | 23 | <b>Ivan Soltesz, Ph.D.</b> – Stanford University School of Medicine |
|     | 30 | <b>Marissa Co, Ph.D.</b> – OHSU                                     |
| NOV | 6  | <b>Rodrigo Pena, Ph.D.</b> – Florida Atlantic University            |
|     | 13 | <b>Skyler Jackman, Ph.D.</b> – OHSU                                 |
|     | 20 | <b>Ryan Hibbs, Ph.D.</b> – University of California, San Diego      |
|     | 21 | <b>Yasunori Hayashi, M.D., Ph.D.</b> – Kyoto University             |

|     |    |                                                                             |
|-----|----|-----------------------------------------------------------------------------|
| DEC | 4  | <b>Dongeun Heo, Ph.D.</b> – OHSU                                            |
|     | 11 | <b>Josefina de Marmol, Ph.D.</b> – Harvard University                       |
| JAN | 15 | <b>Jennifer Li, Ph.D.</b> – Max Planck Institute for Biological Cybernetics |
|     | 16 | <b>Drew Robson, Ph.D.</b> – Max Planck Institute for Biological Cybernetics |
|     | 21 | <b>Eric Mulhall, Ph.D.</b> – The Scripps Research Institute                 |
|     | 22 | <b>Krissy Lyon, Ph.D.</b> – The Scripps Research Institute                  |

|     |    |                                                                       |
|-----|----|-----------------------------------------------------------------------|
| MAR | 5  | <b>Mark Harnett, Ph.D.</b> – MIT                                      |
|     | 12 | <b>Vollum Faculty TBD</b> – OHSU                                      |
|     | 19 | <b>Dori Schafer, Ph.D.</b> – Umass Chan Medical School                |
| APR | 2  | <b>Joseph Takahashi, Ph.D.</b> – UT Southwestern Medical Center       |
|     | 9  | <b>Vollum Faculty TBD</b> – OHSU                                      |
|     | 16 | <b>Veronica Alvarez, Ph.D.</b> – NIH                                  |
|     | 23 | <b>Jeorg Waldhaus, Ph.D.</b> – University of Michigan                 |
|     | 30 | <b>Stephanie Rudolph, Ph.D.</b> – Albert Einstein College of Medicine |

|     |    |                                                        |
|-----|----|--------------------------------------------------------|
| MAY | 7  | <b>Elena Gracheva, Ph.D.</b> – Yale University         |
|     | 14 | <b>Meg Younger, Ph.D.</b> – Boston University          |
|     | 21 | <b>Vollum Faculty TBD</b> – OHSU                       |
|     | 28 | <b>Stephan Züchner, M.D., Ph.D.</b> – Miami University |

|     |    |                                                    |
|-----|----|----------------------------------------------------|
| JUN | 4  | <b>Vollum Faculty TBD</b> – OHSU                   |
|     | 11 | <b>Joanna Wysocka, Ph.D.</b> – Stanford University |
