or scan the QR code

Featuring **Dr. Courtney Temple**,  
Director of Medical Toxicology Education  
& Assistant Medical Director at the Oregon PC

After attending this lecture, learners will be able to:

1. Identify emerging trends in recreational nitrous oxide use and recognize its relevance in general medical practice
2. Describe the common clinical presentations of nitrous oxide toxicity, including neurologic, psychiatric, and hematologic findings
3. Outline a practical diagnostic and treatment approach to suspected nitrous oxide toxicity

Accreditation: The School of Medicine, Oregon Health & Science University (OHSU), is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: Oregon Health & Science University School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
