

# ORPRN Past Projects

## Completed in 2025

### **CASCADE-A Community-based Assessment of Skin Care, Allergies and Eczema**

**PI:** Eric Simpson, M.D., M.C.R.

**Topic:** Pragmatic, community-based randomized trial to determine the effect of skin care education on the development of atopic dermatitis.

**Term:** 2018-2025

### **Dementia Diagnosis in Oregon Primary Care Clinics**

**PI:** Melinda Davis, Ph.D.

**Topic:** Build the confidence of primary care clinicians in identifying and diagnosing dementia by supporting development of tailored workflows for the teams, instructing teams on when and how to use and interpret dementia diagnostic tools, providing information on how to refer patients and family care partners to community resources.

**Term:** 2023-2025

### **Eastern Oregon CCO Social Needs Screening**

**PI:** Nancy Goff, M.P.H.

**Topic:** Administer telephone social determinants of health (SDOH) and REAL-D screenings to EOC-CO and Summit health members and refer members with identified SDOH needs to resources in local communities.

**Term:** 2021-2025

### **Employer Sponsored Community Health Workers A Novel Model for Improving Diabetes Self-Management Among Low-Income and BIPOC**

#### **Employees**

**PI:** Brian Frank, M.D.

**Topic:** This is part of a larger study with Dr. Brian Frank (OHSU Family Medicine); Support working with and interviewing key community partners to define the context, processes, and outcomes for a pilot in which an employer provides CHW services to a representative sample of employees at risk for type 2 diabetes.

**Term:** 2022-2025

### **Health-Related Social Needs (HRSN) Provider Technical Assistance**

**PI:** Nancy Goff, M.P.H.

**Topic:** Provide technical assistance to enrolled HRSN service providers to support implementation of specific housing, nutrition and outreach & engagement services to qualifying Oregon Health Plan members.

**Term:** 2024-2025

### **ILOS, SHARE, HRS — In-Lieu of Services, Supporting Health for All through Reinvestment, Health-Related Services**

**PI:** Nancy Goff, M.P.H.

**Topic:** Provide technical assistance to CCOs to implement Medicaid flexibilities to address social determinants of health and equity.

**Term:** 2021-2025

# Completed Projects (2025)

## **OIP Non-Medical Exemption Survey**

**Executive Sponsor:** Caitlin Dickinson, M.P.H.

**Topic:** The project is to evaluate Oregon's non-medical exemption process by surveying parents who opt out of vaccines for their children for a non-medical reason. We will be conducting interviews with parents to better understand why parents choose to not vaccinate their children (i.e. access or beliefs).

**Term:** 2024-2025

## **PCCP4P — Person-Centered Care Planning for Persons with Multiple Chronic Conditions**

**PI:** Deborah Cohen, Ph.D.

**Topic:** A study of how to provide high quality, comprehensive, longitudinal, person-centered care for persons living with, or at risk for, multiple chronic conditions (MCC): Develop a roadmap with best practices for person-centered care planning across diverse health systems and settings. Engage experts, stakeholders, practitioners, front-line implementers, researchers, and persons, families, and caregivers to provide foundational knowledge of how to promote person-centered care planning as standard practice for persons with MCC.

**Term:** 2024-2025
