

PRIDE IN NUMBERS

TAKE THE SURVEY TODAY

This confidential survey is open to Two-Spirit & LGBTQIA+ adults (18+ in Oregon) in English and Spanish. Learn more about our data protections on our website. Open through May 31.

TWO-SPIRIT & LGBTQIA+ VOICES MATTER

Pride in Numbers is a **community-led, statewide research project by and for Two-Spirit and LGBTQIA+ people across Oregon**. Through an online survey, storytelling sessions and a community art project, Pride in Numbers is creating a powerful portrait of Two-Spirit and LGBTQIA+ life in Oregon.

The information and stories we gather will be shared back with the community, so our advocates, community organizations, and organizers – each of us – can build the programs, services, mutual aid networks, and policies we deserve and dream of.

SUBMIT YOUR ART TODAY

Participants of all ages are invited to submit creative works to a living online art collection. Each piece offers a meaningful way to share stories and perspectives on our own terms. Open thru May 31.

Our Stories Belong.
