

INTERNSHIP ADMISSIONS, SUPPORT, AND INITIAL PLACEMENT DATA

Date Program Tables are updated: 7/1/2026

Note: this information is provided in one location as required by the Commission on Accreditation. It represents a summary of detailed information described in more detail in other places on our program's webpage.

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes, provide website link (or content from brochure) where this specific information is presented: N/A	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:		
Applicants must be enrolled in doctoral programs accredited by the <i>APA Commission on Accreditation</i> or <i>Psychological Clinical Science Accreditation System (PCSAS)</i> and be pursuing a doctoral degree in clinical, counseling, or school psychology. Further, they must be US citizens, hold a Permanent Residency Visa, or have a student visa with the intent to stay in the United States following completion of their doctoral degree (allowance of federal funding for stipends may shift over time; applicants may reach out to the site for clarification as application due dates approach).		
Applicants must have completed at least 3 years of graduate training in psychology, which must be in full-time residence at the institution that will be granting the doctoral degree. Applicants must have proposed their dissertation by the time of submitting ranking to the National Matching Service.		
We seek interns who have a strong background in at least one of the following areas: developmental disabilities, assessment of pediatric/child populations, pediatric psychology, pediatric chronic illness, and child and family cognitive behavioral/behavioral intervention. We seek applicants with training and experience in models of practice that focus on using empirical data and methods to select/evaluate assessment and intervention practices.		
Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:		
Total Direct Contact Intervention Hours	No	Amount: N/A
Total Direct Contact Assessment Hours	No	Amount: N/A
Describe any other required minimum criteria used to screen applicants:		
Not Applicable		

Financial and Other Benefit Support for Upcoming Training Year*
