Mobile Health Program

Bringing care directly to communities by removing barriers and expanding access for patients who might otherwise go unseen and unserved

Who We Serve

- Farmworkers
- Unhoused individuals
- People in recovery
- Returning citizens
- Rural communities

What We do

- Mobile primary care
- Farmworker outreach
- LATS recuperative care
- CATT recovery services
- Community & school-based clinics

2025 Impact

- 990 patients served
- 70 mobile clinic days
- 19 community events
- 15+ partner sites
