VIRTUAL

FREE

We know that children with special health needs often hit milestones in their own way. Does your child act or look different than other kids their age? Join us to talk about helping our kids navigate:

- Playgrounds, school, and friendships
- Clothing
- Expectations from others
- Puberty
- And more

Questions: contact@oregonfamilytofamily.org | 855-323-6744

**This Table Talk is offered in [Spanish](#) on the evening of July 14. For other language interpretation [please request](#) by no later than June 30th.*
