

SoM Faculty Development Updates: August 24, 2026

Applications open for Paths to Leadership and Mid-Career Clinical Leadership Development Programs

- [Paths to Leadership](#) - PTL is a 6-month program intended for faculty who want to make a difference at OHSU, and which offers an opportunity to reconnect with your professional purpose and clearly articulate the meaningful difference you wish to make. **The program will meet Tuesdays from 3:30 – 5 p.m.**
- [Mid-Career Clinical Leadership Development Program](#) - MCCLDP is a year-long professional development program that is designed to refine leadership skills for mid-career faculty. The program offers participants a concrete set of leadership skills that provide the foundation for success in common leadership positions at an academic health center. **The program will meet on the second Wednesday of each month from 2 - 5 p.m.**

Application deadline for both programs is September 30. Prior to deadline, applications will be reviewed on a rolling basis. Applicants should expect to hear back within one month of applying.

Call for Abstracts: 58th Annual Primary Care Review

Clinicians, educators, researchers, and healthcare professionals are invited to submit abstracts for the upcoming [Primary Care Review](#). Share innovative practices, quality improvement initiatives, research findings, and educational strategies that advance primary care and improve patient outcomes. This is an excellent opportunity to showcase your work, contribute to the field, and engage with colleagues from across the healthcare community.
