Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	__x__ **Yes** _____ **No**

If yes, provide website link (or content from brochure) where this specific information is presented:

The CPP program is designed for students to be able to complete all requirements plus an internship in 5 years, though 6 years is more typical. OHSU policy mandates Ph.D. completion within 7 years. "Students who enter a PhD program are allowed 28 consecutive terms (seven years) of continuous registration to satisfy all requirements for the doctoral degree (unless an extension is granted), during which time they are required to maintain full-time status." https://www.ohsu.edu/sites/default/files/2025-05/Academic%20Regulations%20for%20the%20School%20of%20Medicine%20Graduate%20Programs%20_April%202025%20%2B%20appendix.pdf

Successful completion of the OHSU Criminal Background Check process. More information about the OHSU Criminal Background Check process can be found here: See OHSU Policy 03-10-011, Background Checks for more information.

Completion of a pre-matriculation drug screen as part of the background check process. OHSU has a drug testing policy for all health care related employees including clinical psychology doctoral students. Despite changes in Oregon statute regarding marijuana use and possession, OHSU will continue to adhere to Federal law and maintain a zero-tolerance policy in this regard. Test results are confidential as required by Federal and State laws. Tests are paid for by OHSU.

OHSU requires immunizations for its students in accordance with recommendations from the Centers for Disease Control and Prevention (CDC) and from the State of Oregon. Students must comply with OHSU pre-entrance immunization requirements per Policy 02-90-010, and remain in compliance for the duration of their enrollment at OHSU.
