**Gardasil 9 is free for those within the FDA approved clinical guidelines.

***Tetanus boosters are free to those due for booster doses within the FDA guidelines after matriculation

- **Free:** Student compliance requirements include **annual influenza vaccinations, annual tuberculosis screening, and maintaining updated tetanus vaccinations ONLY.** These are not billed to your insurance and are free.
- **Billed:** All other vaccinations and titers are billed to insurance and subject to insurance copays and deductibles.
- **Self-pay**: You can choose to pay a self-pay fee for vaccinations PRIOR to receiving these services. Your insurance will not be billed in this situation. **A self-pay option is not available for titers (lab draws**).
- **Titers (lab draws):** Student Health and Wellness is not able to provide estimated costs for titers (lab draws). **Please see CPT billing codes below for required titers:**
