wintergreenmeanalytics.com

No cost to attend. Unlimited enrollment. Attend as many sessions as you want.

What Co-Op offers

Co-Op is the education platform inside Wintergreen Analytics. Each session is a live or recorded webinar, typically one hour, on a practical topic rural leaders face. Every session is open at no cost, and there is no limit on how many people from your organization can enroll.

TOPIC AREA	EXAMPLE SESSIONS
Finance	Cash forecasting and payer accountability
Cost reporting	CAH and RHC cost report opportunities
Swing beds	Swing Bed 2.0, a four part series
Care management	CCM series and Annual Wellness Visits
Quality	QAPI, ED throughput, and patient status

Continuing education credit

3 ACCREDITORS
Recognized credit. Sessions carry credit from ANCC, NASBA, and NARHC.

1.0 CREDIT PER SESSION
Typical session. Most webinars carry one hour of credit.

State SUBSCRIPTION
How credit works. Available where the State Office of Rural Health subscribes with Wintergreen.

$0 TO ATTEND
Open to all. Every webinar is open to any rural hospital or clinic.

Getting started in five steps

1. **Enroll now.** Visit **wintergreenmeanalytics.com** and create your account.
2. **Open Co-Op.** Select Sessions to browse by topic or date.
3. **Register.** Pick any session that fits your role and schedule.
4. **Attend live or on demand.** Join at the scheduled time, or watch a recording when it suits you.
5. **Come back often.** Attend as many sessions as you want; My Sessions holds your registrations and any CEU certificates.

Who should attend

1. CEOs, CFOs, and finance teams.
2. CNOs, nurse leaders, and quality staff.
3. Clinic managers and practice administrators.
4. Revenue cycle, coding, and HIM staff.
5. Anyone growing skills to support their organization.

Suggest a topic. Use the Suggest a Topic option in Co-Op to help shape future sessions.

Where to start

Enroll your whole team: **there is no limit on enrollment, and every enrolled user can participate in as many sessions as they want.** Then ask your State Office of Rural Health about continuing education credit.
