

RAISING FUNDS FOR DOERNBECHER CHILDREN'S HOSPITAL

Thank you for your interest in making OHSU Doernbecher Children's Hospital the beneficiary of your fundraising efforts. We are very grateful for the volunteers and organizations whose committed efforts raise support and awareness for pediatric research and care.

OHSU Doernbecher Children's Hospital has been providing hope and healing to children and their families for nearly 90 years. Our mission is to heal children today while working toward tomorrow's cures. We are also dedicated to providing an array of patient care programs and services to support our families' well-being.

This includes building a guest house for patients who travel out of town and face an extended stay

for care. You can designate your support to any of these areas and bring hope to patients and their families.

This guide outlines our promotional, financial and gift processing policies. To help ensure that volunteer events and cause marketing promotions are successful, make best use of limited staff resources, and are coordinated with our other activities, please carefully review our fundraising guidelines and submit a proposal well in advance of the proposed fundraiser or initiative for required approval by OHSU and Doernbecher Children's Hospital Foundations.

- Silent auction items should each be valued at the fair market value. This value must be listed on the bid sheet at the auction table or included in any printed list of auction items, including live auction item descriptions.
 - Items valued at \$5,000 or more require an appraisal by a qualified appraiser, per IRS guidelines.
 - If an item is not valued, or valued as priceless, the final auction bid establishes the item's fair market value, therefore no portion is tax deductible. Autographed items are deemed priceless.
 - Fair market value of the item must be disclosed in order to provide gift credit. The charitable portion is that above the fair market value.
