Thank you!
David Bangsberg, M.D., Ph.D., Dean, OHSU-PSU School of Public Health, shared his inspirations and vision for the new joint venture with Guild Luncheon attendees at the Multnomah Athletic Club in Portland.
A native of Ritter, Oregon, the late Tommy Colvin, Jr. loved his parents, loved raising cattle like his dad and loved keeping up with current events. He was also generous. When he passed away in 2015 at the age of 90, we learned he had made a gift in his will to the OHSU and Doernbecher Foundations.

One of Tommy’s family members describes him best: “Tommy was slow to speak, but everyone was sure to listen when he did, as he was very knowledgeable. He told us one time that he was sure he had worn out more horses than he did boots. Always a happy and kindhearted man, Tommy entertained both young and old. He will be missed.”

We are humbled and grateful that Tommy made this thoughtful gift to OHSU and Doernbecher through his estate plan.

We are here for you!

We are available to help you and your advisors with the charitable aspects of your plans.
