

OHSU ResearchMatch Recruitment Announcement Template Language

Document Description: ResearchMatch provides standard notification language (in grey) that will be received by all ResearchMatch volunteers who may be a match for a given study. The IRB approved recruitment language that you send through ResearchMatch to seek volunteers for your study must exclude your direct study contact information (email & phone). Copy and paste the language below this line into a document, insert the required study specific information, and submit the recruitment announcement to your IRB for review and approval.

A research team with OHSU in Portland, OR, believes you might be good match for the following study:

*<Insert study-specific recruitment announcement here. Example:
We are looking for <insert population type> for a study focused on <insert the condition under study and/or the purpose of the research>. <insert inclusion/exclusion criteria>. <insert time commitment involved>. <insert as applicable: whether compensation will be provided, whether any treatment will be provided, the percentage of subjects who will receive placebo>.>*

If you are interested in this study and having the research team contact you directly, please select the "Yes, I'm interested" link below. By clicking the "Yes, I'm interested" link, your contact information will be released to the research team. If you select the "No, thanks." link or do not respond to this study message, your contact information will not be released to the research team.
