Tickets & Fees

Notice of Parking Ticket Revision: An updated OHSU parking code modeled after the City of Portland's parking rules, [Title 16](#), is effective January 4, 2010. The code removes historic discrepancies between parking rules on campus and on the surrounding city streets. Fines for parking violations have been set by order of the Presiding Judge of Multnomah County and are the same as for the City of Portland.

OHSU parking patrol teams enforce parking rules on OHSU owned and controlled property (including Campus Drive), while the City of Portland enforce parking rules on city streets.

Please review the [OHSU Parking Code](#) then send any questions and comments to parking@ohsu.edu or contact OHSU Transportation & Parking at 503-494-8283.
