Estimated total telecommuters

Telecommuting by work site

- Primary
- Secondary

Primary and secondary combined: 297
• Overall telecommuting is 2%. For Portland, telecommuting is 8%
• Full time telecommuters are concentrated in Fifth Ave Building and UMG. Largely happy with their, “commute.”
• On Marquam Hill, it is largely a secondary option. If we weren’t tracking secondary options, telecommuters would be nearly invisible.
• Back up is driving (51%)
• 30% have long term parking permits
