3rd Annual Symposium on Educational Excellence

This year's theme is Educational Scholarship

Keynote "Energizing your educational scholarship"
Sebastian Uijdehaage, PhD, Professor and Associate Director, Graduate Programs in Health Professions Education at the Uniformed Health Services University.

This symposium will bring together the OHSU education community in order to:
- Provide faculty development in education
- Highlight educators’ teaching and scholarship
- Promote networking, collaboration, and community

Registration Now Open!

or visit www.ohsu.edu/school-of-medicine/symposium-educational-excellence

50+ sessions and posters focusing on teaching techniques, education scholarship & innovation, well-being, topics in accreditation, simulation, educational best practices collected from the OHSU community, and so much more.

Approved for AMA PRA Category 1 Credits™
