FACULTY

DR. KARAN REPOGLE TO JOIN OHSU AS GRADUATE ENDODONTIC PROGRAM DIRECTOR

It is a great pleasure to announce that Dr. Karan Replogle will be joining the Department of Endodontontology at the OHSU School of Dentistry as Graduate Endodontics Program Director.

Dr. Replogle is a Board Certified Endodontist who taught at Virginia Commonwealth University School of Dentistry in Richmond Virginia since 2004 serving at various times as Endodontics Predoctoral Program Director, Department Chair and Program Director for Advanced Specialty in Endodontics. Dr. Replogle came to academics from private practice where she owned and operated a group endodontic practice for 10+ years in Dayton, Ohio.

Dr. Replogle was educated at The Ohio State University receiving both her DDS and MS with Endodontics Certificate. While there she was actively involved in intraosseous anesthesia research. Her current areas of research interest include trauma, Cone Beam Computed Tomography and cracked teeth.

Karan describes herself as "a clinician who loves the practice of endodontics and feels blessed to be able to share this passion in an academic setting preparing the next generation of endodontists."

We are excited to have Dr. Replogle become part of the OHSU Endodontic legacy. Please help us welcome Dr. Replogle as she joins us June 1st!
ALUMNI ASSOCIATION

CONFERENCES, REUNIONS AND AWARDS - OH MY!

The annual Oregon Dental Conference (ODC) draws thousands of dental professionals from throughout the Pacific Northwest to Portland each year. With record breaking attendance, this year’s conference served as a central opportunity to recognize our alumni during the 2016 Alumni Association Awards Reception and a host of class reunions.

DS4S AND RESIDENTS HONORED WITH RECEPTION & BLAZERS WIN

The annual *Welcome to the Alumni Association Reception*, held to congratulate soon-to-be-graduating DS4s and residency program students, was well-attended and enjoyed by all. With hors d’oeuvres, an open bar, and perhaps most importantly, a Trail Blazers victory over the Golden State Warriors, the afternoon was a great success. Student attendees received custom class mugs as congratulatory gifts and had the opportunity to connect with alumni and their families.

The reception also featured the presentation of the “Go the Extra Mile” Award to DS4 Liz McElhinney. Liz was selected by her classmates to receive this award for her outstanding service, character, and commitment to the dental school and her class.

School of Dentistry Alumni Association President Tom Pollard presents the “Go the Extra Mile” Award to DS4 Liz McElhinney

~ A special thank you to faculty member Steven Beadnell, D.M.D ’80 and Dennel Beadnell, RDH ’77, for hosting the reception at their home.
